#### **INSPIRING NOTE** AT BIG CONVENTION

Grand Z., Col. Ponton, Delivers Notable Address to Arch Masons.

"Holding to the high traditions and significant passwords of those who have gone on before by the path of duty we press forward in a great movement side by side, a great capitular craftmanship, whose chief factor is wise work well done, the essence of strength and wisdom, the stability of true citizenship and broth-

It was thus that Lieut.-Colonel W. N. Ponton of Belleville, an original of the C. E. F. in that greatest of wars, just concluded, gave greeting to the 62nd annual convocation of the Grand Chapter of the Royal Arch Masons of Canada in his address as chairman yesterday morning at Masonic Hall, Davenport road. Continuing, the Grand Z.M. ex-companion pointed to the need of counteracting the influences of dangerous Socialistic propaganda and of maintaining fearlessboth church and state. "These are spacious days," said Colonel Ponton, "and we must enlarge the curtains of our habitations." Finally the speaker referred to the hospitality accorded the Canadian arch masons by the Americans at Albany and other centres the United States and bespoke for that country an enthusiasm thru which America would drink the com-

mon cup of humanity.

Was Notable Convention The convention was in every respect the most notable and most largely attended of any yet held. It is estimated that by 1922 the arch masons will have a membership of more than 25,000. Royal Ex-Companion Henry T. Smith, grand scribe E, reported a

METHODS.

"Altho Ontario has no law regulating the practice of drugless methods, is not the case in Manitoba," said Mayor Gray while recently in this city. The mayor of Winnipeg was in-strumental in numerous ways in aid-ing the Chiropractors, etc., in obtain-ing recognition in their battle for medical freedom. Altho the mayor is known to be surcharged with dynamic energy, he, like all of us, it seems, is subject to indispositions, one of which he suffered from during his recent visit in this city. Being a firm advocate of Chiropractic, he took the optan, Chiropractic specialist, at 1 Bloor his indisposition,
