"Seeds main from ock-qual- through. e, Briggs" od dealer, my better of "thor- our deal- th the "" BRIGGS COMPANY LIMITED at Said Bass"	the scarcity of supplies is becoming more pronounced each week. Collec- tions are very good. NEW YOHK CURB. New.York, April 9.—Stocks were gen- erally strong on the curb at the close today with substantial buying and snort covering giving a buoyant undertone. Several of the industrials scored sub- stantial net gains. The olls were some- what irregular, getting stronger during the last hour. There were flashes of activity among some of the lower-priced mining issues. Safety Bazor proved a feature during the late trading, moving from 9½ to 10% on what appeared ex- tensive short coverings on the news that application had been made for listing on the big board. The coal issues at- reated considerable attention with Far- rel Coal and Acme as the leaders. As- bait was quiet around 99. The higher priced oils acted bregular- the cost by the oil was fractionally taigher, done made flow. The mining division Silver King was been was in considerable de- tored and Ryan were active within a brited Eastern was in considerable de- tored. VICTORY DOND INTEREST. Ottawa. April 9.—Thierest on the vert- ow maturities of the laus and 1910 Victory Loan is payable on May T. The payment of interest on bonds which are fully registered involves the sandi-were fully	MONTREAL STOCKS. Supplied by Heron and Co. Open High Low Close Sales Atl.
