Ma. EDITOR.—You will oblige the subscriber by inserting this in your columns. The subscriber is a well-wisher to enterprise, and he would rejoice to find five thousand pounds, more or less, granted by the Legislature of this Province as they in their wisdom might think proper, to be at the disposal of His Excellency Sir John Harvey, to encourage new inventions; a liberal sum being granted for that purpose the present sitting of the House great good would likely arise therefrom in the course of another year.
