

## KILLED ON WAY HOME FROM HERE

Fredericton Man, Wife and Son in Auto Disaster—Several Accidents.

A deep gloom was cast over Fredericton, and this city, last evening, when it was learned that returning after the holiday spent at the exhibition and the ball games, Charles Bangs, section foreman of the C. P. R. at Fredericton, his wife and six year old son Desmond, were dead, Mrs. R. C. McLean, and her daughter Maile, seriously injured, when their automobile ran over a bridge one mile beyond Blagden, to be smashed to pieces on the rocks thirty feet below. Mr. Bangs, and his son were instantly killed, Mrs. Bangs dying an hour after the accident, at the camp of J. D. Driscoll.

Mr. and Mrs. McLean, and their daughter were hurried to the General Public Hospital, where the condition of the two ladies was reported to be serious. The accident occurred when Mr. McLean, who was driving, turned aside to escape an approaching car, and went too close to the side of the bridge.

Other Accidents. Little hope was entertained last night for the recovery of Mrs. Philip Plaisted of Haverhill, Mass., who is in the Victoria Public Hospital, Fredericton, as the result of an automobile accident in which an automobile plunged over the Murray Creek bridge, near Fredericton on Sunday night. Mr. Plaisted was at the wheel, and blinded by the glare of an approaching car's lights, lost control. He was planned underneath the car, but was only slightly injured. The other occupants of the car, Mr. and Mrs. Dubie, also of Haverhill, escaped injury. The car was entirely demolished.

Charles McLean, Frank Dunbar, Howard Dunbar, Horace Pettigrew and W. J. Walker, all of Haverhill, met with an automobile accident yesterday morning while enroute to St. John. Near Morna the car slewed in loose gravel causing the rear wheels to skid. The rear tires were snapped off and the car took to the ditch and plunged into a mud bank. Howard Dunbar sustained a cut over the left eye, a badly bruised right shoulder and a severe wound in his head; Frank Dunbar suffered a fractured rib; and Charles McLean received two cuts over the eye and a fractured rib. By permission of Commissioner Thornton an ambulance was sent out and brought the injured to the General Public Hospital.

Owing to very thick fog two cars bound from the city towards the border last night got mixed up at Spruce Lake and ran along the railway tracks for a short distance. They were able to back onto the road again and proceeded.

An automobile owned and driven by Isaac Babb of Union street, West Main, went through the railing in King street, West End, on Sunday morning and landed in the mud about twenty feet below the street level. The tide, fortunately, was low at the time and Mr. Babb and his two sons who were with him escaped injury. The car was hauled up with the aid of a block and tackle.

It was said yesterday that a large Oldsmobile touring car had left the road near Sussex on Sunday and plunged into a rocky ledge near Fox Hill. It was said that the car was considerably damaged though the occupants had escaped injury.

On Sunday afternoon a car from Amherst, N. S., enroute to Fredericton, slipped off the road and went into the ditch. Considerable difficulty was experienced in getting the car on the road again.

A large touring car is said to have left the road on Sunday near Westfield. No one was injured and the car later was able to proceed.

Outset in Title Hunt. Boston, Sept. 4.—Francis Outset and Jesse Guilford, former champions, have forwarded their entries for the national amateur golf championship at Pinebrook.

It is said that 75,000,000 men were mobilized during the world war and that at the close there were 80,000,000 under arms.

## FEAR FOR SAFETY OF MISSIONARIES

One St. John Man Among Methodist Clergymen in Japan

Toronto, Sept. 3.—Reports of the Japanese holocaust have placed Methodist circles in the deepest concern, as the entire missionary force of the denomination was concentrated in the mid-Japanese area affected.

Methodist missionaries from Canada in or near the regions affected include the following: Rev. R. C. Armstrong, of Ottawa, who with his wife and children, was living in Tokyo just opposite the arsenal. He is in charge of the central tabernacle.

Rev. Dr. McKenzie, a graduate of Victoria College, living in the same compound as Mr. Armstrong. He was overseas with the 124th Pals Battalion of Toronto.

Rev. Foster Hilliard, of Morrisburg, Ont., stationed at Tokyo.

Rev. F. G. Price, brother of the Provincial Treasurer of Ontario, stationed at Tokyo.

Captain Rev. A. P. McKenzie, living with his wife and children at Nagoya, which is supposed to have been totally destroyed.

Rev. F. Ainsworth, of Hamilton, Ont., stationed at Toyama.

Rev. J. C. L. Biggs, of Ottawa, president of the Methodist Union College at Kobe.

Rev. H. W. Outerbridge, of Nova Scotia, in charge of the Theological Department at Kobe.

Rev. M. M. Witting, of St. Thomas, stationed at Kobe.

Rev. G. R. Tench, of Manitoba, stationed at Kobe.

Rev. W. J. M. Cragg and Rev. H. F. Woodworth, of Ontario, stationed at Kobe.

Rev. H. H. Coates, D.D., of Ontario, stationed at Hamamatsu.

Rev. E. C. Hennigar, of St. John, at Matsumoto.

Rev. A. T. Wilkinson, of Toronto, is also in Japan.

Amongst the female workers in Tokyo were Miss I. Hargrave, Miss Annie Allen, Miss E. Campbell, Miss C. Drake and Miss I. Blackmore.

WILL REPORT ON C. B. CONDITIONS

Sydney, Sept. 3.—Canon F. G. Scott, of Quebec, has completed his investigation of the Cape Breton industrial situation, but he still maintains an absolute silence on the conclusions he has reached, following a stay of two weeks here.

He has gone to his home in Quebec and from there will issue a lengthy statement, outlining in detail what he found in Cape Breton's steel plant and coal mines. Canon Scott left here with a great mass of data and information, relative to industrial conditions in Cape Breton.

No one here is in a position to surmise the nature of Canon Scott's report. He has given no one an inkling of his impressions.
