Why Keep Up the Furnace
on Days that are not so Cold?
The Perfection Oil Heater provides plenty of cheery warmth for days on which the furnace—or heater—is not really needed, but yet are cool enough to require heat of some sort; for just such spring days the Perfection is really invaluable.
Upstairs or down, it warms any room, any time, without trouble or inconvenience. There are no ashes or coal to bother with and the house does not become uncomfortably hot and stuffy.
The Perfection is well made, good-looking, lasts for years, and turns every drop of Royaltite Coal Oil into clean, odorless heat.

LOCAL NEWS
CORSICAN ARRIVES
The C. P. O. S. liner Corsican arrived in port this morning from Liverpool and docked at No. 3 berth, Sand Point between 11 and 12 o'clock. She had 480 cabin and 564 steerage passengers and more than 1,000 bags of mail, besides general cargo. The passengers will leave late this afternoon on special trains. The first is due to leave for Montreal about five o'clock, the second for Toronto about six o'clock, and the third for Western Canada about seven o'clock.
The C. P. O. S. liner Metagama is due to sail tonight for Liverpool. She will have approximately 250 cabin and 300 third-class passengers, in addition to mails and general cargo.

C. P. R. AND WHEAT
Grant Hall, vice-president of the C. P. R., arrived in the city this morning from Montreal. He was accompanied by James Stewart, chairman of the Canadian Wheat Board, F. O. Fowler, another member of the wheat board, both of Winnipeg, and W. A. Fowler, vice-president and managing director of the Ogilvie Milling Company, of Montreal. The last mentioned will leave this evening on the C. P. O. S. liner Metagama for England, and the others will return to Montreal today. While in the city they inspected the elevators and wharves in West St. John, accompanied by H. C. Groat, general superintendent of the C. P. R., New Brunswick district.

BOWLING EVENT OF THE SEASON BEING ARRANGED
Championship Tournament Will Be Held Next Month on Black's Alleys.
The annual bowling tournament for the Brunswick-Balke-Collender Company, large and two from St. John—the Y. M. C. I. and Black's Alleys, will compete. There may be one or more teams entered, but it will not be definitely known until replies have been received by those sent invitations. The large silver pin has been put up for competition for several years and has been won by the Y. M. C. I. Victoria Alleys, Calais and Black's, the last mentioned team winning it several years in succession.
An important game was played on Black's alleys on Saturday afternoon between teams representing Vassie and Company and Emerson and Fisher. The former team won three points and now leads for the championship of the commercial league. The scores were:
Vassie & Company. Total Avg.

POLICE COURT
The week-end arrests were not unusually large this week, but there were several preliminary examinations to be disposed of in the police court this morning, owing to the approach of the circuit court date. A case against the three lads charged with stealing cloth from Hoffman, 355 Main street, was resumed. Sarah Lenine of 18 Chapel street, gave evidence of seeing a man run into a shed on the day in question and leave a bag there. The accused were asked if they had anything to say, while Axtell said he would not say anything now but would leave it until later.
A case against William Perry, charged with misappropriating money from T. Rankine & Sons, Ltd., also from C. H. Peters & Sons, Ltd., and also stealing a dress, the property of the Dufferin sample room, was resumed. Allan Rankine was recalled to clear up some points in his evidence.
The accused was sent up for trial on the Rankine and Peters charges, while the dress charge is still pending.
Joseph Hartley and John Keith were charged with drinking-lemon extract in the Union station wash room. C. N. R. Policemen Ross said these men were in the lavatory drinking and he told of finding several lemon extract bottles around there on several occasions; drinking-lemon was getting to be very common. He said Keith was in the habit of loitering around the station. The accused were told by the magistrate that they were liable to \$200 or six months in jail. They were remanded.
Arthur Kennedy was charged with having liquor in his possession other than his private dwelling and also with being drunk. Policeman Hogg said he saw the man pulling a cork out of a bottle of gin. Kennedy pleaded guilty to being drunk, but not guilty to having liquor in his possession. He was remanded.
One giving the name of Mary Carey, who was reported to have been arrested last night on a warrant charged with a statutory offence, did not appear before the court this morning.
Four men, charged with drunkenness, pleaded guilty and were remanded to jail.

MAYOR REFUSES TO SIGN DOCUMENT

Made in Opposition to Abutters' Tax Scheme

Never Had Such an Insult, the Mayor Says—Mr. Fisher Recommends Contracts But No Decision Reached Today—Some of the Commissioners Sign.

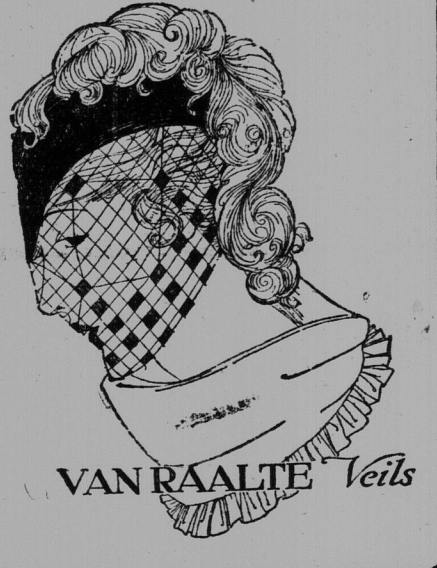

"I have been in this council for seven years, the mayor said this morning when the paving question was being discussed in committee, 'but I was never so insulted as I was last week when I was asked to sign a document pledging myself to oppose any legislation regarding the taxing of abutting property owners.' The document referred to, it was said, was presented to the mayor and each of the commissioners, three of them signed but the mayor and Commissioner Bullock refused to put their names to it. The mayor spoke feelingly in the matter, saying that it was an insult to ask him to make a declaration of the course he would pursue before all the facts of the case were before him. The remarks were made during discussion of a report by Commissioner Fisher on the tenders for street paving which were referred to him on Friday for his report. He reported as follows:
1. Marsh Road Paving—Received only one tender (\$84,700) complying with the specifications and this was much too high for acceptance. Other irregular tenders were also received but did not meet with approval.
2. City Road Paving—Lowest tender was from the Stephen Construction Company, \$124,444 for all granite blocks of \$87,160 for granite in track section and asphalt on sides, all on cement foundation; next tender was \$29,125 higher.
3. Douglas Avenue Paving—Only two complete tenders were received, Stephen Construction Company \$124,444 for asphalt with cement concrete base and \$110,255 for asphalt on macadam base; Norman P. MacLeod \$139,040 for asphalt with cement concrete base. No cement in track section.
4. Prince William Street Paving—Not including asphalt to be laid by public works department. Six tenders were received. The lowest was from the Stephen Construction Company, \$84,297, the next was from James E. Kane, \$98,985, and others were: H. O. Clark, \$40,382, and B. Mooney & Sons, \$41,823.
None of the foregoing figures cover curbside laid by the city, engineering and incidentals.
Four commissioner recommendations:
1. That the Marsh road paving be laid by the public works department on same specifications as prepared for the contractors, estimated cost, including engineering and incidentals, \$84,700.
2. That the Stephen Construction Company be awarded the contract for the City Road paving, granite blocks in track section and asphalt on sides, estimated cost, including curbing, sidewalks, engineering and incidentals, \$87,160.
3. That Norman P. MacLeod be awarded the contract for the Douglas Avenue paving, asphalt on cement concrete base on sides of street and asphalt on broken stone base in track section estimated cost, including curbing, sidewalks, engineering and incidentals, \$110,255.
4. That James E. Kane be awarded the contract for paving Prince William street, the public works department laying the asphalt surface on the sides of the roadway, estimated total cost, \$84,700.
Respectfully submitted,
G. FRED FISHER,
Commissioner P. W. Dept.
March 22, 1920.
"Amounts to be filled in by the department as soon as the council determines the class of pavement to be laid."
The Discussion.
Before the report was presented the mayor said that if the recommendations of the commissioner were not in accordance with the conditions under which the tenders were opened he would not vote on the matter. These conditions called for a plebiscite on the question of direct taxation of abutting property owners and delay of the work until the result of the plebiscite was determined. The report was read, however, and Commissioner Fisher moved that it be accepted and recommendations carried out. Mr. Thomson, in order to bring the matter to the council seconded the motion.
Mr. Jones said he didn't see how the council could act on the recommendation of the commissioner on account of the conditions under which the tenders were opened.
Mr. Bullock thought the report was not complete. He said if the commissioner would take the council into his confidence and make his recommendations complete, he was anxious to see the work gone ahead with.
The mayor said that until the council agreed upon the character of plebiscite he did not think that the contracts should be granted. He expected to have a copy of the proposed paving bill from the "Seventeen Citizens" tomorrow.
Commissioner Bullock therefore moved an amendment that the matter be left over until tomorrow, the amendment was carried.
The report will be brought up at a special committee meeting tomorrow morning.

NEW YORK ARCHITECT WEDS FORMER ST. JOHN GIRL
A wedding of much local interest took place in New York on Saturday afternoon at four o'clock, when Miss Jean Cowan became the bride of Norman Herbert Behrens. After the ceremony Mr. and Mrs. Behrens left on a three months' honeymoon trip to Los Angeles, Cal. Upon their return they will reside in New York.
Mr. Behrens is a talented young architect, a graduate of Columbia University and also of American Beaux Arts. Miss Cowan has been secretary to the president of the Harshaw, Fuller & Goodwin Co., New York, for the last five years. She is a sister of Mrs. Rex R. Cormier of this city. A host of friends here will wish Mr. and Mrs. Behrens long life and much happiness.
BROSSEAU AGAINST LEFT-HANDER TONIGHT.
Montreal, March 22—Eugene Brosseau will have a new experience tonight when he will meet Al McCoy of Brooklyn, former champion middleweight of the world. Brosseau is for the first time in his career tackling a "southpaw" fighter, one who boxes with right hand and foot extruded. Brosseau has never seen a left-hander in action.

Furnishing the Home Involves Important Responsibility

When you furnish your home you create the environment that is going to leave its impress on your very nature, and on the lives of those who may share your home with you through the years to come.
The influence is subconscious, but it is there, and in your hands rests the responsibility of determining whether this influence shall be cultural and refining, or negative.
The suggestion is not implied that a properly furnished home must involve extravagances. The chief element in effective home furnishing is a thorough knowledge of that particular art, and the purpose of every home furnisher should be to accomplish the most desirable results possible within the limitations which circumstances only can determine.
We believe you will make best progress in this purpose by enlisting the co-operation of EVERETT'S. Our thought is not to merely sell furniture but to be definitely helpful to our patrons in creating maximum beauty and comfort in the home at minimum cost.
Men of long and high class training in home furnishing are here to give you the benefit of their experience and to fully and cordially co-operate with you regardless of the limitations or extent of your requirements.
