Are We CREATING A PANIC?

Our Average Business For the First of the Eight Big Bargain Days was About Fifty Customers Per Minute---Going Some!

St. John Is Feeling Cheerful

WE'VE MADE IT SO--Our prices are the only examples of optimism in the living expenses of the day. Some merchants doing much less, might well say: "We've done our Share" We, however, are determined to keep doing our share, until we sell out our great stocks. EIGHT DAYS OF WONDER VALUES--one of them has already passed. Don't delay too long---remember the early bird.
