## **VOTING MONEY BY MILLIONS**

ESTIMATES ARE ALL PASSED PRACTICALLY chiefly miner

## House Spent Large Part of Yesterday in Committee of Supply

Legislative Press Gallery, March 1st.

Such good progress was made in sup-\$45,000 for collection of revenue, \$10,000 ply to-day that by spending an hour for repairs to the parliament buildings, or so in the afternoon and all evening on the estimates they were practically disposed of, Millions were voted as a mere formality, and without any show of explanation. There was little dis-cussion of any of the items, and what there was was rather local to some ernment grounds at Victoria, \$29,000 for specific item than involving any large Fernie court house, \$20,000 for the pur principle.

chase of a site for Grand Forks court house, \$20,000 for Vancouver court The administration of justice costs \$161,136 for salaries and \$201,550 for house, \$20,000 for government offices at other expenses. Supreme and County Kaslo, \$265,000 for construction, repairs court staff salaries in Victoria come to \$10,054. The provincial police force costs \$90,000, the industrial school in Van-couver \$6,732, the staff of Victoria jail No Clearing of Streams.

\$7,512, the facory inspector \$1,680. On the vote for the salary of the fac-On a vote of \$100,000 for the protect tory inspector, J. H. Hawthornthwaite tion of river banks. Mr. Brewster asksuggested that it ought to be struck out, as the usefulness of the official had for sea shores as well. been largely done away with by the legislation preventing him from ap-for repairs to river banks. Hcn. Mr. Taylor said it was entirely

pearing as a witness in civil suits. 'That would not be kind to your friends in Vancouver who receomn ed his appointment," observed Mr.

There was a vote of \$1,000 for elec tion expense in the aggregate of \$65,620 for legislation,

Mr. Hawthornthwaite asked if this covered the whole cost of the elections. The minister replied that it was for the coming year, to cover possible bye elections, as, for instance, that caused by filling the vacant portfolio. hould presume to touch them "Or in Yale," added Mr. Hawthorn-

thwaite. this was what Mr. Brewster proposed. For the maintenance of public init would have to spend half the revenue stitutions a vote of \$251,993 was taken, of the province. He had taken up with including \$86,387 for the printing bureau, \$3,500 for the bureau of mines, the C. P. R. the matter of the streams blocked by them, to which 'Mr. Brew-\$5,556 for the provincial museum, \$118,-110 for the hospitals for the insane at ster had drawn his attention, but up
