PERSONAL.

John Stinson, of Rossland, who has just eturned from a business trip to Port Simpson, is among those staying at the Doinion hotel. He said that since it has been decided that the Western terminus of he Grand Trunk Pacific railway will be at Port Simpson, business at that place is beginning to brighten. Already all the timber lands of any value have been taken up and speculators are beginning to interest themselves in the town. Mr. Stinson with a number of associates has taken possession of 15 sections of fair timber lands at the head of Observatory Inlet. Speaking of the political prospects at Nelson and Rossland, he expressed the opinion that S. S. Taylor, the Liberal candidate Between 4 and 5 o'clock Wednesday afternoon Detective Sergeant Falmer and Detective Macdonald arrested Alfred E. Lyford, alias H. C. Miller, formerly deputy treasurer of Rock Island county, Ill., who absconded with \$12,000 of the man in the House. In Rossland nominacounty funds. He was missed on Aug-ust 5th last year and indicted by the at Rossland is becoming better. A new grand jury on September 20th. The concentrator has just been installed in county treasurer, P. F. Cox, being the complainant. Every effort was made to 500 tons per day and will be used for the

the guests at the Dominion. Mr. Glassey mained a profound mystery.

As a matter of fact he had come to Victoria a month after leaving Rock Island. His presence and personality were as great a mystery here as his whereabouts must have been to the Rock Island authorities. His appearance and manner attracted general attention, and everybody who took note of him made inquiry as to his identity. He is Nome river. "This summer," Mr. Glassey remarked, "there were no less than a thousand men in Nome without employment.
The place was overrun, and consequently shaven and has a pair of keen dark eyes, with which he scrutinized every one who passed. He was always well panies to \$3.50. The Miocene Ditch Companies to \$3.50. dressed and created the impression that his circumstances were better than the throughout. It is likely that next summer there will be a general reduction in Some thought he was an officer of some sort on a private mission, but to chose with whom he was acquainted he said he was a mining man, and that his name was H. C. Miller. Nevertheless from Soloman to Council City, a distance the police considered that he was worth of about 150 miles.
