REPORT ON "THE ISLAY BLEND" WHISKEY. Registered by request of Messrs. MACKIE & CO., Lagavulin and Laphronig, Island of Islay, Argylshire, Scotland.

St. Bartholomew Hospital,

I have carefully analyzed and tested the above Whiskey, and am of the opinion that it is a very High Class Brand, of very delicate flavor, and mellow throughout; there is an entire absence of any artificial sweetening, or any other matter which render ficial sweetening, or any other matter which remained the majority of Whiskey deleterious. It is also entirely free from fusel oil. The slight color it has is obtained from lying in bond, and from a porportion of the Whiskey being matured in sherry casks. I can safely recommend it for medicinal purposes as being a reliable and thoroughly genuine article. (Signed)

Report of Analysis of a sample of Messrs. MACKIB
& CO.'S "ISLAY BLEND" of Whiskey, received
on the 24th inst.

I have made a careful analysis of a sample representing 800 dozen bottles of Messrs. MACKIB &
CO.'S "ISLAY BLEND" WHISKEY, and I find that it is a pure Whiskey, and entirely free from any coloring or flavouring matter, except such as is naturally absorbed by being matured in Sherry Casks. I am of opinion that it is several years old, and a superior quality of Whiskey.
