

George W. Fowler for Kings-Albert

Continued from page 1. When the acceptance carried with it the certainty of victory as in the present case, it is not the man who is away from his business and his family for a great portion of each year and he should be British or even French...

Talk No. 5.

A lady called at our store yesterday and during conversation expressed unbelief in premiums, remarking that she never got a premium that was any good. We immediately showed her a pair of boots that were made by one of the best manufacturers in Canada...

She did not understand our plan and when we fully explained it her purchase totaled about \$10.00.

Every article is for sale and every article a premium. Every article comes direct to us from the maker. Our premiums are the best and we handle many lines.

Are you buying from your grocer ASEPTO SOAP, ASEPTO SOAP POWDER, and our other lines?

We have a big Xmas surprise planned for all the users of our Asepto products, the more you have bought the greater the gain.

Mr. Bevis, general manager of the Cammel Laird Shipbuilding Company of Birkenhead, England, has written to Mayor Frink, stating that the proposal of the city to offer a bonus on any shipbuilding work done here would be a source of great encouragement to the establishment of a plant in Canada for the purpose of securing contracts for the construction of Canadian battleships.

FORGIBLE ARGUMENTS AGAINST RECIPROCITY

Toronto, Aug. 11.—Figures presented by James T. Madden, a leading producer dealer of Toronto, establish clearly that the home market in eggs, butter, honey and other products will be practically lost to the Canadian farmer if the reciprocity agreement is enacted.

For the past year fresh-laid eggs have been from three to four cents per dozen higher in the Canadian than in the American market. During the middle of June, United States dealers were paying from 12 to 13 cents per dozen for eggs, while the prevailing price paid by Toronto dealers for Ontario eggs was 18 cents and over. There is a marked disparity in the prices being paid in the two markets at present, all in favor of the Canadian farmer. American creamery but has been offered to dealers, delivered in Toronto, for 21 cents per dozen, while dealers here are paying 24 cents and over for Canadian creamery butter.

Until the result of the elections is known, dealers have withdrawn all offers for Canadian honey, as the American variety has been offered much below Canadian quotations.

DO YOUR BOOTS PINCH? If so, look out for a tiny cone. Care is taken to fit the foot. Putnam's Patent Extractor is the best. Mr. Putnam, 207, W. S. Hooper, Fredericton; M Btry 'Putnam',

The Albert Railway.

The government had put up the excuse for not taking over the Albert county railway on the ground that the proposition would not allow it. This was an utter confession of weakness. If the government was prevented from carrying out its work because of the opposition, then it was time to turn the government out.

Will Rectify Mistake.

Manning W. Doherty who was called upon, said he was glad to be present at such a revival meeting. The people of Kings and Albert gathered under that roof were great sinners. They would, however, blot out that sin when the opportunity was afforded on Sept. 21st.

Conflicting Opinions.

It had been said that the farmer should have his turn, and that the opening of the American markets would give some farmers a better price for their grain. How did President Taft do in this respect? He had promised that the price of grain was fixed abroad, and that the removal of the duty would not allow the Canadian farmer to raise the price of his grain.

Don't Play With Fire.

Don't play with fire. This reciprocity pact is as surely as the sun will rise tomorrow leading to annexation, and if you don't believe in annexation for Canada, then turn it down and turn down also their duty. Just so sure as Canada adopts this reciprocity pact then just so sure I will get what Cuba got. I call on any Liberal here to study reciprocity, study it carefully and on its merits, and then if they believe in it then go and vote for Dr. McAllister. But if they find that what I have said is reasonable, and that reciprocity may turn out as I say it will, then vote for George W. Fowler, and even if the Liberal government is returned and the reciprocity pact is adopted, then Kings and Albert counties have at least one ally in the reciprocity pact.

Merely a Bluff.

The other day Mr. Pugliese made a statement in connection with the Albert Railway, but it was not clear. The fact is so vague that the venerable ex-lieutenant governor, A. B. Smith, had to say that if Mr. Pugliese's statement was a bluff, it was a bluff for a bluff. Mr. Pugliese said that he would resign if a new station house was not built in Sussex, but the station house had not come and the doctor still held on to his resignation. Dr. McAllister would not resign on the Albert railway question, either if the government did not take it over. His statement was a bluff for a bluff. There is a strong possibility that Mr. Pugliese is bluffing. Mr. Rivet's Opponent.

Montreal, Aug. 11.—Conservative convention for Quebec nominated A. Rivet, sitting member for the Liberal nominee.

Despite the frenzied attempts of the Grit press to confuse the issue, the fact remains that the people of Canada in ratifying the Reciprocity Agreement will be turning aside from the path that leads to Empire to follow the straight road that leads to Washington.

Resolved that the convention of Liberal-Conservatives of the united county of Kings-Albert, express our unqualified confidence in the integrity and unimpeachable honor of our beloved leader, Robert Laird Borden. We honor his talented leadership of our great party and approve of the stand he and the party took in preventing the reciprocity pact being forced upon the people of Canada without the consent and approval of the electors expressed at the ballot box. We pledge our leader our united and loyal support.

The Ministers' Movements.

Ottawa, Aug. 11.—It is understood that Sir Allen Aylesworth, who will shortly relinquish the portfolio of Justice, has nominated A. H. Clark of South Essex as his successor. It lies between Clark and Hugh Guthrie of South Wellington with the chances evidently in favor of the former. Hon. Rodolphe Lemieux has not yet made his mind up whether to be a candidate in Rouville or in Soulanges.

Political Notes.

Special to The Standard. Halifax, Aug. 11.—Two Liberal Conservative conventions were held today. At St. Peters, J. A. Gillies, K.C., was nominated for the House of Commons, and at Inverness, Tim Cowie was received a unanimous nomination for the county. Both accepted.
