Royals Made It
Three Straight

Defeated Indians by Score of 7 to 1 in South End League Fixture.

By defeating the Indians by a score of 7 to 1, the Royals last evening won their third straight victory in the South End League. Until the fifth inning both teams played a perfect ball, the best in fact that has been seen in the South End diamond this season. In the fifth, two hits, two costly errors, and one of the Royals being hit by a pitched ball, resulted in the colored team pushing four runs across the plate and establishing a lead that the Indians found impossible to cut down.

The Indians last night showed much better form than at the first of the season and are improving steadily. Middleton twisted his ankle when batting in the fourth inning, and was replaced by Brandy during the rest of the game.

"Rickard" of the West

BY BOB DORMAN

Matching champions has its ups and downs.

The promoter who catches the turn of the wheel on the ups makes the money.

Test Rickard is an example of the shrewd promoter who catches the wheel on the ups.

And what Rickard is to the east, Floyd Fitzsimmons is to the middle west.

Fitz has laid out a busy summer for himself.

He has noted that the wheel of championship fights was due to hit the upgrade.

When Dempsey knocked out Carpenter a year ago he faced a blank.

Champion Benny Leonard could find no one worthy of his skill.

And Harry Greb, the windmill, owned no title then.

The championship wheel was on the downgrade.

But things have changed since and Fitzsimmons has elected himself showman.

He has Dempsey and Leonard on the dotted line, and Greb has promised to fight Tommy Gibbons.

Fitz passed up his famous snappy at Benton Harbor and selected Michigan City, Ind., for his venture.

He is building a new sand-pit, but this time of concrete.

It is 10-sided, and when completed will seat 30,000. Wooden bleachers will enable an additional 50,000 to stand room.

For his first venture, on July 4, Rocky Kansas will try to separate Benny Leonard from his crown. Kansas victory over Lew Tendler gives him the call.

On Aug. 5, Tommy Gibbons will try to redeem the racing he received from Harry Greb in New York and dream, when Jack Dempsey steps into the ring to fight either Brennan or Willard.

Fitz has sure laid out a busy summer for himself.
