t time to the 15th, and of the month.

in the evening, and es-
s, or both. When the
green, the rain will
every.

HEAVENLY BODIES.—If there be a haziness in the air which hides the sun's light, and makes the orb appear whitish, or ill defined; or at night, if the moon and stars grow dim, and a ring encircles the former, rain will follow. If the sun's rays appear like Moses' horns, if white at setting, or shorn of its rays, or goes down into a bank of cloud in the horizon, bad
