BY BEN : PERLEY POORE.

CONTINUED. The Isles of Greece, the Isles of Greece ! Where burning Supplied by and sung; Where grew the art of war and peace— Where Delos rose and Pose bus spring!

Eteraat summer glides them yet, But all, except then sun is set." THE ÆGEAN SEA! Loveliest of all waters, its bright surface almost seems conscious that it laves classic Isles, and that it it has been tracked by the keels of vessels which bore inighty conquerers, and classic historians and bards of never-

dying fame.

Seldom ruffled by a storm, the pure blue waters sleep undisturbed beneath an equally clear cerulean sky, drinking in oright sunbeams by day, and at night returning the moon's pale glance with a golden smile. Mountain Islands rise within sight of each other, their sloping acclivities covered with verdaut forests, vated, or planted with olive groves, in discovered a small vessel astern, appared to a which rise the picturesque stone dwellings by endeavoring to get to the windward of the inhabitants. Fefuccas, with their of them. along through the day, waiting for the voice cried; fresh night breeze, while bright doiphins 'Forecastle, there !' sport around, as it escorting them through excitement. Sunken rocks, and pirates, topsail ! and gusts of wind coming around the A prompt execution of these orders ed fi bows, and is left in her wake, heaving to make her out. and glittering like a stream of lava pour-

them, oxcept at the table, and Alexis ther hull was now distinctly visible.

thus basked unrestrained in the bright 'Pass the word for Salvo!' sunshine of Elisso's smales, without even 'Here I am, sir,' answered the mulatio major thinking whether its glad warmth would coming to the quarter-deck. ripen his effection to perfect fruition, or whither dark clouds would sweep in and Stongelo! cloud the horizon of his hopes.
