RUSSIA. Private letters from St. Petersburg, dated the 18th state that the French diplomatic agent forwarded to Prince Gortschakoff a despatch from M. Drouyn de Lhuys, the day before yesterday.

The following is a letter from a Polish priest, 65 years of age, sentenced to transportation to Siberia. It is dated Moscow, Nov. 2:—

"You have no doubt received my first letter, dated from St. Petersburg. I continue to day a detailed account of my journey. We arrived at St. Petersburg in the afternoon of the 18th of last month. We received in that city a visit from the aide-de-camp, who asked each of us for what crime and in what manner we had been tried. When my turn came I told him I was tried for having published a manifesto. He smiled, and shaking his head, said it was a serious offence. He then asked me where I was born. Having received an answer he withdrew. He returned and asked how long I had been in prison. I neither saw nor heard more of him. The same afternoon a physician came and examined each of us as to our health. He found me and one of my companions delicate, and gave orders that we should remain behind. That order was not attended to, and we were forced to set out the following day. None of my acquaintances were permitted to see me. On the journey we were divided into two gangs, each consisting of 150 prisoners. My companion was placed in the first gang and I in the second, and we are to be separated to the end of our journey. Those who are sentenced to a severer punishment are formed into a separate gang. When we arrived at Moscow I was permitted to hire a carriage to convey me from the railway terminus to the citadel. I received a similar permission at St. Petersburg. We are to remain at Moscow for a week. A physician came to visit me here, and I wrote to the military governor to allow me to remain some time in the hospital, as I felt very unwell. I know not what may be the reply to my demand, but I fear it will not be granted. I have purchased a few cloaks for seven rubles and I have everything I want for my journey except strength. I place my trust in God, who I am confident will not desert us. Wives accompany their husbands, and remain with them in prison; but these poor creatures have many difficulties to surmount before they can obtain the required permission."

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendations will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not a rum drink. — Yours truly, LEVI G. BECK.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church:—

Dr. Jackson—Dear Sir—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD. Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson—Dear Sir—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.— Yours truly, WARREN RANDOLPH, Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. Jackson—Dear Sir—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.—Yours, respectfully, J. H. TURNER, No. 726 N. Nineteenth Street.

New Rochelle, N.Y.

Dr. C. M. Jackson—Dear Sir—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons afflicted by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS. PRICE—\$1 per Bottle; half dozen, \$5.

BE IT KNOWN What is said by one who has tried BRISTOL'S SARSAPARILLA.

Messrs. DEVINS & BOLTON, Druggists, Montreal:

GENTLEMEN,—It is with the most grateful feelings that I give you the particulars of the cure effected upon me by the use of the Bristol's Sarsaparilla bought from you. A severe and painful rheumatism had troubled me for years, rendering my right arm almost useless, and extending across my chest and down my back, made me unable to walk, and comparatively helpless, besides much pain in the side, from what my family doctor called liver disease. Mr. KENNEDY, my neighbor, on whom the Bristol's Sarsaparilla produced almost a miraculous cure, advised me to try a bottle or two. I did so, taking, at the same time, as directed by you, a couple of Bristol's Sugar-Coated Pills occasionally.

I am now entirely recovered, free from pain of every kind, and feel as if I had taken a new lease of life. I can with confidence recommend the Sarsaparilla and the Pills to any one suffering with the same troubles.

WISTAR'S BALSAM

WILD CHERRY HALF A CENTURY.

Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue.

The power of the medicinal gum of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are combined with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RACINE, Esq., of the Minerve:— Montreal, C.E., Oct. 20, 1858.

S. W. Fowle & Co., Boston—Gentlemen,—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence. Your obedient servant, L. J. RACINE.

CURE FOR WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 21, 1858.

Messrs. Seth W. Fowle & Co.—Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. It shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUITTE, Proprietor of the Courier de St. Hyacinthe.

CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL. Cornwall, C.W., Dec. 23, 1859.

Messrs. S. W. Fowle & Co., Boston—Gentlemen—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
