Is Your Home Happy?

How about your home? Is it a real home? Is it something more than a house with a yard or a farm around it? Is it something more than a place to eat and to sleep and to shelter you? Is it a place where the united family can gather together and be happy? Has it something that will bring joy into the life of father, mother, grandparents or children? Has it something that will make your friends enjoy visiting you? That is happiness. That kind of a home is a happy home. Such a life is the only life worth while. And anything that will bring you such a life is a *necessity*. It means as much to you as food and clothing. Money cannot measure its value.
