TO ALL INTERESTED READERS OF Tibbits Hall and Friends:  
We'd like to congratulate the Tibbits Hall House Committee for a fantastic Tibbits Week. Much better than last year although there still seem to be a few mess-ups. Who was really in charge of Tibbits where? Were they serious when they said it was the duty of the Social Chairman's (singular); Appearances certainly are deceiving. Also, we'd like to know who's going to pay for those extra rugby shirts. For those that aren't informed - Tibbits Hall would be having a band for their formal if certain girls would pick up and pay for their rugbies. Unfortunately, they can no longer be made to pick them up because a certain house committee member told some girls they didn't have to pick up their rugbies if they didn't want to. Where did she think the money would come from? Maybe she should try a career in door-to-door salesmanship. Might be an improvement!

In conclusion, the possibility of having a band now seems very slim. I wonder if the social chairman can sing!!  
Sincerely,  
007 and Friends
