CIAU Top Ten Standings

by Frank Denis

Around campus these days many people are talking about the success of this season's Red Devils. The Devils are off to one of their best starts in recent memory and are currently "the 9th best team in university hockey." A week ago the Devils were ranked 7th but following a loss to number 4 Dalhousie they dropped two positions. Who decides who gets ranked and where? Randy Phillips, in a column printed in *The Montreal Gazette* on November 21, addressed that issue and came away with a number of interesting findings.

The communications co-ordinator for the CIAU, Roch Pilon is in charge of six "knowledgeable representatives" - none from the media - from across Canada who compile the rankings.

Every Monday after pouring

over the scores and statistics from the previous week's games and additional factors are taken into account such as travelling, votes are cast to determine the rankings. For each first place vote a team receives they earn 10 points, 9 points for second and so on down the line. The scores are tabulated and then the teams are ranked based on the total number of points received.

Phillips goes on to say that Pilon accepts the fact that the rankings won't please everybody and that's why the names of committee members are kept confidential.

Red Devil coach Mike Johnston says his team does not pay a lot of attention to where they are in the rankings but they do enjoy seeing their name in the top 10.

Phillips ends his article by

saying that if the rankings aren't taken seriously and being number 1 isn't important then at least the weekly top 10 will always provide food for thought or debate.

JOIN SPORTS

Once again the Bruns sports department is making a plea for writers. If interested contact the Bruns, room 35. No experience needed.

INTRAMURALS

Entry deadlines for second term

The fall intramural program experienced a lot of competition and fun in the various leagues and tournaments. As this term draws to a close we would like to encourage all UNB and STU students as well as faculty pass holders to continue to participate in the winter term.

To enable everyone to do so we would like to remind you of the sign up dates. Ladies winter volleyball league entry deadline is the first Thursday back to school, January 10, 1991.

The following week in the co-ed program the sign up deadlines for the hockey and volleyball leagues are both on Tuesday, January 15, 1991. Men's indoor soccer is also on January 15, 1991.

of 13 to 11. The Roadrunners beat the McLeod team in the competitive league with a score of 27 to 13. Congratulations ladies!

Final note for the term

The Recreation Office would like to thank all the individuals on the teams for participating, the officials, because without them there would not be any intramurals, and the coordinators and referee in chiefs for all their efforts. Good Luck to all students on their exams. All the best for 1991 and have a safe and happy holiday.

Ladies Basketball

The 1990 ladies basketball league drew to a close on Sunday past. Both the recreational and competitive leagues played their final games.

In the recreational league the ladies from the Travelling Willberries beat Vanier Hall in a close game with final score

The listeners and volunteers of

chsr fm

STEREO 97.9

would like to thank the following groups for their support of our recently completed MCR Studio renovations

- UNB Associated Alumni
- UNB - The Futures Fund
- STU - Presidents Office
- Moosehead Breweries

Fundy Group (Fundy Cable)

We would especially like to take this opportunity to thank the UNB and STU Student Unions for their support of this project and their ongoing support of community radio.

Merry Christmas from
