in the political field have by many others & that
joined issue in doing this Canada will have
your utmost to secure has reason to be esteemed
a clear, clear election of election periods than
campaign. I do so hope she has at present. I
that your example, which congratulate you too on
it has taken courage the decision you have taken
to give at such a to go into politics & on
purchase, will be followed your appeal to other
young men. We do not
