Right Hon. A. Meighen, M.P.
Ottawa, Ontario.

Dear Mr. Meighen.-

I wish to extend my hearty congratulations to you on your magnificent victory at Portage la Prairie. The returns indicate that our friends did a magnificent piece of work, and it further shows that a great number of the farmers at the last Election were deceived. It is to be regretted, of course, that the general returns were not more pronounced. It would appear, however, that the return of Conservative regime is assured. It is a source of satisfaction to those of us in the West to know that the new Government will be headed by yourself. You have our best confidence and good wishes.

Again congratulating you
and expressing my best wishes, I am

Yours very truly

E. K. Marshall
