

I & it were parading at  
0800 on 17 Aug. I reported as  
usual & I told thinking that  
someone would warn me  
when I was to parade. I  
had all my kit packed  
the night before. I did not  
stay in the kitchen as I  
took sick about 0800 and  
went to the latrine, The Pl  
in the cookhouse unit bear  
me out in this fact. I  
spent the morning between the  
Hut and the latrine. I did  
not report on sick parade.
