

BURNS.

Resin and beeswax about
in a saucer and put on
early cool add one tea-
spoonful of sul-
phur a froth.

Well get the tincture of
with a cloth saturated
when the felon is dead.

Put and stir in air slaked
lime. Make a leather
and insert the affected

Cure some poke root
in a jar When it is
on the felon as hot as
the root becomes dry until
so far advanced to put
on and cure it in a few
