

PREFACE.

*To the Members of the Association of Provincial Land Surveyors
of Ontario:*

THE Executive Committee herewith presents the Proceedings of the Association at its Second Annual Meeting, held in Toronto, on March 1st, 2nd, and 3rd, 1887.

The Proceedings of our Association at its first meeting were well received by our own members, and also by our exchanges.

Our very young association is manifesting great energy, and we urge upon all members to aid the officers and the several committees in carrying on the work of the Association.

We hope this Report will meet with your approval.

Respectfully submitted,

EXECUTIVE COMMITTEE.
