Remarkable Success!

S. CARSLEY, who commenced the Dry Goods business at 395 Notre Dame Street, Montreal, only five years ago, is now doing the second largest retail trade in Canada, and, in spite of the hard times, keeps steadily increasing. He imports his goods direct from Europe and sells strictly for ready cash, which enables him to sell so much cheaper than other stores. His enormously large assortment of all classes of goods gives him a great advantage over others. Numbers of people in Ontario send to his establishment for their Dry Goods. The address is
