I Used
Amatite
ROOFING"**

"NOW I have the best roof in
this township. One that
will last—one that's water-
proof—one that will resist the
hardest storms—and I didn't have
a bit of trouble laying it."

That's about what every Ama-
tite owner says. Its superiority
over all other ready roofing is
apparent to anyone who uses it.
Amatite does away with all roof-
ing troubles and unnecessary ex-
penses because it is made with a
real mineral surface that needs no
painting. It is durable, fire re-
tardant, practical, economical.

Don't buy any other roofing till
you look up Amatite. Write to
nearest office for samples.
