It makes you hungry

"Remember my face—you'll see me again."

Wives! Here's the soup for the husband who leaves his appetite out in the cold—Edwards' Soup.

It's the soup that he's eager to begin and sorry to finish; the soup that warms him through and through; the soup that gives him such an appetite that it makes you hungry to see him eat.

Yet Edwards' desiccated Soup is no trouble to make—all the preparation is done long before you buy.

Edwards' Soup is also an excellent addition to your own soups—it imparts flavour; it thickens; strengthens and gives a richer colour.

EDWARDS' DESICCATED SOUP
5c. per packet.

Edwards' desiccated Soup is made in three varieties—Brown, Tomato, White. The Brown variety is a thick, nourishing soup prepared from best beef and fresh vegetables. The other two are purely vegetable soups.

Edwards' Soup is made in Ireland from specially selected beef and from the finest vegetables that Irish soil can produce.

Mr. H. W. Ward has presented to Frenchay Parish Church, Gloucestershire, of which he is churchwarden, a beautifully carved oak reredos. This, together with other furniture given by him to the church in former years, is entirely the work of Mr. Ward and the members of a carving

class which he has taught. The reredos was a work of many years.
