LIFE STORY OF LLOYD GEORGE AS WRITTEN BY HIMSELF

Autobiography of This Welsh Schoolmaster's Son Who Began His Career a Country Solicitor and Ended Premier of Britain

This Christmas issue of the "Tit-| ticled as a clerk in a solicitor's of Bits," London, contains the following fice. I had passed in the preliminary autobiographical story by Lloyd George. It was originally written some years ago for "M.A.P." a London weekly, and is reprinted by "Titothe start of the s Bits" as a unique chapter of autobiography, written by a British Prime Small sums are big to small people, and the £80 to £100 I had to pay for

"My father was a schoolmaster and a Unitarian, and he left Wales to follow his profession in England. He was stationed at Manchester and ney to Liverpool for the preliminary Liverpool. In Liverpool he was mas- examination, the still greater ex ter of the Hope St. School; the manager of the school was the Rev. Dr. the final examination—all these Martineau, and so this great divine things mounted up to a large sum. was one of the early influences in many ways on my life and that of my people. He was a friend of my father, old couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he has several many peoples of couple whose children had all and he had several many peoples of couple whose children had all and he had several many peoples of couple whose children had all and he had several many peoples of couple whose children had all peoples of couple whose and he has several memorials of gone out into the world in search of a livelihood. They were most kind their friendship. "I was born in Manchester in to me, and indeed treated me as though I were a child of their own.

"My father died when I was but two years old. He left a very small fortune to my mother, and she had the my uncle's small fortune was or market a left of their own." to make a hard struggle to bring up exhausted, and I had not money her children. She was a fine character—gentle, unselfish, and courageous. She never complained and never spoke of her struggles. It was never spoke of her struggles. It was not until long after that her children fully appreciated how much library to the case of solicitors. The robes cost I think up her fatherless family.

meet this outlay. mother instinctively turned to our home in Wales, where her brother lived. This was the village of Llanstmdwy, South Carnarvon. It was a ty- from Criccieth-then, and now, my night. pical Welsh village, both physically home. and socially. It was the centre of an and socially. It was the centre of an amphitheatre of hills, had the sea in the near distance, and abundant woods, was picturesque, beautiful and inspiring.

Socially, it was at that period of socially, it was at that period of call and the sea in the near distance, and abundant woods, was picturesque, beautiful and inspiring.

Socially, it was at that period of call and socially it was one of those period of call and socially and some public notice by what is known as the Llanfrothan burial case. It was one of those period call and socially in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there is difficulty in a scalding sensation and is very profuse; again, there

my boyhood entirely under the yoke of the village squire and of the vil- passion and attract public attention. While it is extremely annoying boyhood entirely under the yoke culiarly harsh cases which excite ing and sometimes very painful, this is really one of the most simple ail-The land was strictly The circumstances were these: and cherries. Whenever we were on one of these marauding expeditions we used to have some of our companions to keep watch lest we should be caught by the keepers. Our dread of the keeper was not without cause. A boy who had killed a hare had to be sent away by his widowed mother from the farm which characteristics. and cherries. Whenever we were on daughter was buried in the parish from the farm which she occupied, if she had not done so, she would have she had not done so, she would have plied that he would bury the body probably been turned out of the in the churchyard, but that he folks who are subject to urinary disfarm. The other farmers dared not take the lad in. He left the village. chose as the spot for the poor

disputation, of all the conflicts and unknown drowned that were washreligious and political creeds. He was himself a man of broad and mild temper and he acted as a mediator few Jews that died in the district.

MAYOR FOR TORONTO Mayor Bowlby left the among the combatants when conflict The people came to me; I advised

Our bread was home-made; we scar-struggle had come to an end ml cely ate fresh meat, and I remember name was known all over the printhat our greatest luxury was half an cipality. egg for each child on Sunday morn-

"My uncle never married and he set himself the task of educating the children of his sister as a sacred and supreme duty. To that duty he gave his time, his energy and all his money. There was no opportunity of learning French in the village school and yet French was necessary. The way we got out of the difficulty was for my poor uncle and myself to sit together for hours and laboriously spell out of an old French dictionary spell out of an old French dictionary characteristics. I will give two and out of a grammar the rudiments of the language. It was a painful and The chalet was roofed with zinc, M. difficult way of learning a language. Gladstone described to us all the but it fairly succeeded. My uncle gave me at an early age a love of literature. The first book I remember to have interested me outside of my which existed in the days of his might be supposed. He said:

The Charlet was robled with Zinc, M., the German submarine menace, Lord Curzon adduced a set of figures which, he claimed, showed that the while acknowledging the submarine menace was serious, said it would might be supposed. He said: school books was Rollin's 'Ancient youth, and described the surprise history.'. I also got hold of Macaulev he felt when, on going into a shop at
