Everybody knows that PURITY FLOUR

"MORE BREAD AND BETTER BREAD"

NOW, find out the reasons why it makes the lightest, tastiest, and most nutritious Buns, Rolls, Cakes and Pies. Test it at our risk. If your grocer doesn't handle PURITY it's easy for him to get it. And you get your money back if it is not satisfactory in every way.

Reliance.

Not to the swift the race, Not to the strong, the fight, Not to the righteous, perfect grace, Not to the wise, the light. But after laboring long, Come ye to the goal, And they who walk in darkness meet The sunshine of the soul. A thousand times by night The Syrian hosts have died; A thousand times the vaquillo right hath been decided. The truth the wise men sought Was spoken by a child; The six-hundred was brought In trembling hands today; Not from the North, the South, Not from the stars above; Not from any man's life's cruel strife, Not from the depths of hell.

Dairy Value.

In the commercial world it is reasonable to assume that what you pay and what you get determine value; a low price, in itself, does not spell value; price and quality, together, determine value.

As applied to the dairy herd, how does this work out? A farmer does not necessarily buy a cow because the price is low, he wants quality; in this case quality may be interpreted to mean dairy capacity, or ability to produce plenty of good milk. If he does not purchase, possibly the heifer coming into milk has been raised at rather too high a cost so that her dairy quality is impaired. She may not be of the right stock, that is, from a dam of deep milking qualities and from a sire of sound ability, and all may have suffered from lack of the right feed.

The other part of the value side of every dairy cow, that is what you get from her, is right in the same way. She can easily determine each cow's value, or dairy quality, by keeping individual records of production. Then if he wishes to part with a good cow, her selling price is enhanced by reason of that certificate of value, her record, which helps to fix the price. Right buying is true economy; the factory patron with the highest conception of value will buy, or raise, right, and will know, by his own simple records, that each in the herd separately, not averaged in a lump, is the ideal value. For a good and best record, farms are supplied with three classes. The first class turns out a calf, and the second class a yearling, and the third class a cow. The first class calf is usually a reasonable pleasure at your success, and remain just as they were before. God bless the last kind, God bless the second, and God pity the first.

JOHNSON'S ANODYNE LINIMENT

is the never-failing remedy. Keep it in your home and be ready for both internal and external use.

Parson's Pills

relieve constipation and headache.

The Local Paper.

The local paper should be found in every home. No children should grow up ignorant who can be taught to appreciate the home paper. It is said to be the stepping stone of intelligence in all matters not to be found in books. Give your children a paper which contains not a word about any person, place or thing which they ever saw or perhaps ever heard of, and how would you expect them to be interested? But let them have the home paper and rest of people which they meet and of places of which they are familiar at once an interest is awakened which increases with every arrival of the local paper. Thus a habit of reading is formed and these children will read the paper all their lives and become in elation and women, a credit to their ancestors, strong in knowledge of the world as it is today.

Children Cry FOR FLETCHER'S CASTORIA

May I tell the country with an excellent letter of recommendation from the parents, but on the way over the letter fell into the sea and was lost. Not knowing how to get work without her recommendation she appealed to a friend to write one for her, and she gave her the following: The bearer, Mary Smith, had a good character when she left home, but lost it on the way over. The man whose wife takes in washing is usually long on words and short on action.

There are a lot of people in this town who cannot afford to be sick. Perhaps one of you can feel that you can, but certainly some of you can't, or as soon as you are sick your wages stop and worry and debts begin to pile up. The sensible thing for you to do, as soon as you feel run-down and worn out, no matter what the cause, is to take something just as quick as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness. We don't believe there is any other medicine made that will do as much toward saving your money as Rexall Olive Oil Emulsion. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and giving new strength and health to the whole body. It doesn't do this by means of alcohol or habit-forming drugs, because it contains none. Its strength and health giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians, the one for its food value, the other for its tonic value. Here for the first time, they are combined, and the result is a real nerve, blood and body building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because if it doesn't do all we say it will and satisfy you in every way, it will cost you nothing. If it doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. Sold only at the more than 7,000 Rexall Stores, and in this town only by us, A. V. Rand, Wolfville.

Entertaining Homeless Friends.

If you have a pleasant home, even though it be 'humble,' you do not know how much comfort and joy you might give to some lonely ones by asking them to visit it. Nearly all of us hear from time to time of sons or daughters of relatives or friends who come as strangers to our town or city. We are apt to forget them or to think that we are 'too busy' to look after them.

Our conscientious hostess who felt her responsibilities in this line, says that she never expended time and money to better advantage than she did in hunting out and entertaining homeless young people. Now that her days of activity are over, men and women are often coming to her and saying, 'I can never forget those delightful evenings at your home.' 'I was lonely enough to cry many nights when I left my office, but after you opened your home to me, I can't tell you how all my life was changed.' 'I was becoming embittered and was getting careless of my appearance, but after I began to go to your house, I felt O so differently. Let the churches and all of us think more on this matter.

How to Take Good Care of Your Hair.

Nothing spoils your good looks so much as homely hair—straggly, dull colored, harsh. Nothing adds to good looks so much as beautiful hair—soft, silky, wavy and glossy. No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way, and easier to put up and 'stay put.' Its rich rose odors hides the unpleasant smell of the hair. It is richly named; it beautifies the hair.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair. To keep hair soft and scalp clean, use Harmony Hair Beautifier. This pure liquid shampoo gives an instantaneous relief that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire preparation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness.

Both preparations come in odd shaped, very ornamental bottles, with applicator tips. Harmony Hair Beautifier, 50c. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us, A. V. Rand, Wolfville.

Forestry Convention in Nova Scotia.

For five or six years, those interested in the forests of Nova Scotia have been endeavoring to secure the Annual Convention of the Canadian Forestry Association, which has hitherto never been held east of Fredericton, N. B. This year the Government of Nova Scotia invited the Canadian Forestry Association to meet in Halifax, and discuss the forest problems peculiar to this province. This invitation was warmly seconded by the lumbering, farming, commercial and educational interests. At a meeting of the Directors of the Forestry Association in Ottawa, with the President, Mr. William Power, M. P., of Quebec, in the chair, it was decided to hold the convention in Halifax, Sept. 1, 2, 3 and 4. A ready number of leading lumbermen and authorities on forestry from the maritime provinces, Quebec, Ontario, and other places further west have signified their intention of taking part. Mr. James L. Lewis, Ottawa, Secretary of the Canadian Forestry Association, who recently visited Nova Scotia, and who will return here in the summer to hold a series of meetings in preparation for the convention, reports great interest among the owners of timber lands in this province in the effort to conserve their very important industry. Everything points to a large and successful convention, and announcements in regard to program, hotel and railway arrangements will be made later.

Nervous Diseases in the Spring.

CURED BY TONING THE BLOOD AND STRENGTHENING THE NERVE. It is the opinion of the best medical authorities, after long observation, that nervous diseases are more common and more serious in the spring than at any other time of the year. Vital changes in the system, after long winter months, may cause much more trouble than the familiar spring weakness and weariness from which most people suffer as the result of indoor life, in poorly ventilated and often overheated buildings. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and other forms of nerve troubles are at their worst, and that then, more than any other time, a blood-making, nerve restoring tonic is needed. Vital changes in the system, after long winter months, may cause much more trouble than the familiar spring weakness and weariness from which most people suffer as the result of indoor life, in poorly ventilated and often overheated buildings. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and other forms of nerve troubles are at their worst, and that then, more than any other time, a blood-making, nerve restoring tonic is needed. The antiquated custom of taking purgatives in the spring is useless, for the system really needs strengthening, while purgatives only gallop through the bowels, leaving you weaker. Dr. Williams' Pink Pills are the best medicine, for they actually make the new, rich, red blood that feeds the starved nerves, and thus cure the many forms of nervous disorders. They cure also such other forms of spring troubles as headache, poor appetite, weakness in the limbs, as well as remove unsightly pimples and eruptions. In fact they untailily bring new health and strength to weak, tired and depressed men, women and children.
