

HAVE YOU BEEN SICK?

Then you realize the utter weakness that robs ambition, destroys appetite, and makes work a burden.

To restore that strength and stamina that is so essential, nothing has ever equalled or compared with Scott's Emulsion, because its strength-sustaining, nourishment invigorates the blood to distribute energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way.

If you are run down, tired, nervous, overworked or lack strength, get Scott's Emulsion today. At any drug store.

Scott & Bowne, Toronto, Ont.

Vol. VII JULY 15, 1915 No. 5

ANDOVER NEWS

J. E. Stewart was here from Plaster Rock for a day or two this week on a visit to his family. Mr. Stewart is engaged in the manufacture of land plaster on a large scale and is one of the really progressive men of the Tobique district.

Our popular grocer, W. A. Gillett, has removed his stock to more commodious premises about 150 yards up the street.

Andover lost two of its most estimable citizens in Mr. and Mrs. Reeves, who, after five years residence in this province, left with their little daughter for the country en route for South Africa, where Mr. Reeves formerly held a responsible position. While deeply regretting their departure we hope that they will find in that remote portion of the empire a measure of prosperity commensurate with their merit. May success be always theirs.

B. Beveridge was away for several days last week on a well earned holiday, on a visit to his brother, Robert K. Beveridge, of St. Elmo, and also to call upon a friend at Bluehill with whom he numbered 38 years ago. This gentleman is 72 years of age and keeps bachelor's quarters, but it is needless to say Mr. Beveridge fully enjoyed the visit, and the fund of reminiscences called forth by the reunion. Mr. Beveridge also took in a baseball match between the ladies of Plaster Rock and Wapske, who looked "real cute" in bloomers and ran the bases like veterans. Plaster Rock won by a narrow margin.

The Observer automobile passed through on Monday on a whirlwind advertising campaign, en route to Port Fairfield, and the spectacle of bewitching girls distributing sample copies of the papers, to houses along the way set many of our susceptible bachelors all a-ape, and many a manly heart went pit-a-pat. If a photo of the fair campaigners were given as a premium The Observer would get a tremendous boost in this neighborhood.

Jack Kelly left on Wednesday for Wapske after visiting here for some days.

Ira H. McNair arrived home from Boston on Saturday, after a three week's visit in the New England States, and left on Wednesday for Wapske.

The new barber shop recently opened next to H. W. Stevenson's by our townsman, Bert White, looks like a source of recreation to many of our citizens these wet days.

The fatal accident on Friday evening came near having a repetition the next evening, when a heavily loaded automobile, driven by a young girl, turned off the bridge. The girl lost control and the car swept at full speed within a foot of the bank. A man in the seat beside the wheel in time to the car rolling off the escaping collision with a pole. All the party were scared and shaken, and hoped that it may be those so foolhardy inexperienced young a motor car in so lity.

AROOSTOOK

Aroostook is one of two towns in the St. John valley that are showing remarkable building activity this summer—and the other is Hartland. A real estate boom is on, and the village is a veritable hive of industry. One thing that impressed The Observer man while here this week was the spirit of optimism that seemed to prevail everywhere, and the evident pride the citizens take in the growth of the place. He counted within the distance of a city block no less than eight new houses in course of erection, as well as the school building now approaching completion.

To begin with: Colin Drake is putting up a frame dwelling on the west side of the street, and, nearly opposite, our enterprising merchant and contractor, Edward Waugh, is erecting a commodious residence for Mrs. Thomas Craig of Perth.

W. P. Hopkins is preparing to build what will probably be one of the finest homes in Aroostook in the form of a bungalow 32x50. Mr. Hopkins is a recent arrival here, having come from Peel.

Thomas Ebbett is making good headway on his new house and expects to have it ready for occupancy at an early date.

The new public school, as designed, will be an ornament to the village. It will be a two-storey structure. The ground floor will contain two class rooms; the upper storey will be left in one long room, and serve as a public hall for concerts, meetings, etc. It has a commanding location on the hill, and will fill a long-felt want.

Mrs. Herbert True is visiting in Woodstock.

The stork called at the home of Mr. and Mrs. Charles Ralston on Sunday morning and presented them with a young son.

Miss Myrtle Grant returned home on Friday from St. John, where she has been visiting for the past month.

Miss Olive Dunn of Fort Fairfield returned home on Tuesday after a visit to Mrs. Chas. Gaines.

Miss Cassie Craig of Perth was here on Monday, the guest of Miss Dorothy Langley.

Mrs. Mathieson of the Scotch colony was the guest of Mrs. Thomas Hoyt this week.

Mr. and Mrs. George Fleming of Woodstock are here visiting Mrs. Jack Fleming.

The family of Mr. Guthrie, C. P. R. trackmaster, arrived here on Monday from Sault Ste. Marie for the summer.

A goodly number from here attended the picnic supper at Aroostook Falls on Tuesday night.

Victoria county's new paper, The Observer, has been well received here. After this week Aroostook will be ably represented in its columns by an interesting budget of live local news.

GRAND FALLS NEWS

On Monday, June 28, Bishop Richardson confirmed six at St. John Baptist church, Edmundston, and on Sunday morning he confirmed six more at All Saints church, Grand Falls. In the afternoon the Bishop visited the mission of Clifford Vale and took service, and again in the evening at Grand Falls. After the Sunday evening service the Bishop met several of the church people and spent a pleasant hour at the Rectory, where he stayed as a guest of the rector, Rev. F. Brasell. His visit gives us fair promise of the start of the new church which is needed sadly. The present church will be moved alongside the new edifice to serve as a Parish hall.

Norman Giberson attended the ball game at Van Buren on Saturday.

Miss Mabel and Gladys White were in Limestone Monday.

James Day drove to Limestone Monday.

Joe McCormick and family of

Limestone were in town by team Tuesday.

Mrs. Carruthers is having her house papered and painted.

John Hudson Jr. and William Greenier who inlisted returned Wednesday as they did not come up to the standard required. John is only 15 years old so he will probably grow up to the measurements in another year if he should be needed then.

Mrs. Muriel Leslie is ill with heart trouble.

Dr. Puddington returned from Montreal Tuesday.

Mr. R. Wheeler of St. Stephen is in town.

Tom Corey of Caribou is moving into the A. J. Martin house. Arthur White was in Limestone Monday and Tuesday.

Mrs. H. W. Olmstead and family are spending a week with Mrs. Olmstead's mother, Mrs. Langen in South Tilley.

Geo. Leslie and Mrs. Leslie of Presque Isle are guests of Mrs. J. J. Evans.

Mrs. McDougall and little son of Waterville are visiting Miss Miss Roma Evans.

A splendid picnic was given on the town flat by the Boy Scouts Association. Exceptionally good work was done by the boys under the guidance of Scoutmaster W. R. Wright. They erected a bridge with a span of over 40 ft. in 27 minutes. About 14 of the boys had their photograph taken standing on the bridge. Then followed an exhibition of ambulance work under the direction of assistant Scoutmaster J. P. Crabtree and the use of the stretcher demonstrated when the squad received the call to an accident. The patient was treated for a broken leg which was put in splints by the boys. The use of the triangular bandage was also shown. There was also a ball game between the Rexall team and Limestone, the latter losing by a score of 9 to 0. Other sports were also enjoyed. The total receipts amounted to \$105. Altogether it proved to be one of the best picnics held in town. Following are the sports participated in:

440 yard run—Mr. Johnson.

100 yard run—Mr. Johnson.

Shoe Race—Chas. West.

3 legged race—Rad Estey and Wilmot Murphy.

Wheelbarrow race—Charles West and Mr. Johnson.

Shot put—Fred Pirie.

Pillow fight—Lawrence Watson.

Throwing hammer—Fred Pirie.

64 ft. 8 in.

Running broad jump—Johnson.

17 ft. 8 in.

High jump—Chas. West, 4 ft.

7 in.

Tug of War—W. R. Wright's team.

Obstacle race—1st, Clayton Britton, 2nd, Wilmot Murphy.

The annual school meeting was held on Monday forenoon in the school building. An unusually large number of the ratepayers attended. D. J. Collins was elected trustee in place of Jesse Estabrooks whose term of office had expired. The sum of \$6000 was assessed for school purposes during the coming school year; and it was decided, on account of the overcrowded condition of the different rooms

at present to open a new department next year in a rented building. A committee was appointed to report at the next annual school meeting as to the advisability, plans and probable cost of building. We have now seven teachers, and if the increased attendance in the schools during the past few years can be taken as an indication of the growth of the town, then our town is certainly growing.

The many friends of Senator Costigan, the veteran politician of Victoria were glad to see him in town the latter part of last week. Despite his exceedingly long and honorable political life, dating back to pre-confederation days, he is apparently yet well able to look after his important duties in the Senate for many years to come. Few men in public life in the Dominion can point to such a long and unbroken political career.

A delegation consisting of F. W. Hechler, Matthew Burgess, William Pirie and M. J. Powers, with other delegates from other parts of the county were in Fredericton last week attending the cabinet session of the provincial government. Their mission was to obtain a provincial guarantee of bonds to the extent of \$15,000 per mile for the extension of the Tobique Valley Railway from Plaster Rock to Riley Brook, a distance of 25 miles. It is said they were promised due consideration of their request.

The citizens of Grand Falls and vicinity await with impatience the completion of the St. John Valley Railway line to this town. If our two county members in the local Legislature had kept their pre-election pledge of resigning as a protest when their government did not proceed with the road as promised, the road would have long ago been completed. But alas! promises are so easily made and so soon forgotten by some. Will the line yet be built? Echo answers—when? Certainly not until a change of government.

The regular quarter-annual meeting of the town council was held in the council chamber at town building on Tuesday evening. His Worship the Mayor and the full Council were in attendance. A considerable amount of important business was dealt with.

Our town can boast of having one of the best and most up-to-date hotels in the province. The traveling public claim that the "Curless Hotel" under its present management, has no superior north of St. John.

The annual church picnic of the Catholic congregation will be held about the middle of August. Already preparations are well under way and the usual good time is assured.

Albyn Kelly, D. Paradis and E. West, three of our local young men, left for Sussex last week to join the 55th Battalion for overseas service. Others will follow soon.

Sheriff Tibbitts was here during the week in connection with the sale of a part of the Curless farm property in Enneshone.

During the present season an unusually large number of auto-tourists from Maine and elsewhere are including "the Falls" on their trip. Few other towns have such beautiful natural scenery as the Falls and vicinity to offer to tourists. We welcome all such visitors to our town.

Richard Wheeler, who has been spending some time on a visit with friends and relatives here, returned to his home in St. Stephen during the week. Upwards of twenty-five years ago Mr. Wheeler was principal of the schools here, and his many friends, among whom is a large number of former pupils, were glad to see him.

Report says one of our leading young merchants contemplates entering upon wedded bliss in the near future.

H. M. FOSTER

A goodly number of students who have been in attendance at school and college elsewhere during the past year, are spending their vacations at their homes here.

The newsy appearance of "The Observer" is appealing very strongly to its readers here, as its news features are considerably above those of local weekly papers. An increased circulation is assured for it in the northern part of Victoria County.

"Rough on Rats" clears out Rats, Mice, etc. Don't Die in the House. 15c and 25c at Drug and Country Stores.

Glove and Hat Cleaning

If you have an old Hat or pair of soiled gloves send them to M. J. L. and he will make them look like new ones. I have installed an up-to-date machine and outfit for cleaning, bleaching and blocking of ladies' and men's Panama, Derby, Felt and Sailor Hats. I also have the newest method of cleaning light colored gloves of kid, silk, suede and chamois. People living at a distance can save money by sending their work to me, as I will return same by mail or express prepaid. Send me a trial order and be convinced. I also clean white canvas, kid, buck, suede, silk and satin slippers, boots and shoes. Address M. J. L., Woodstock, N. B., next door to post office.

Clay's Hair Restorer

will restore hair to its original color, and do it in seven days. It is not a dye. It restores the vitality of scalp and hair and is most wonderful in its operation. Contains nothing injurious. Can furnish the names of people in Carleton Co. who have had grey hair restored to the appearance as in their youth.
Sold by JOHN H. NOBLE, Royalton, N. B., who has the exclusive sale in this county. His own white hair was turned to its original dark brown in just seven days. The price is 75c a bottle, delivered by mail. 4-131

Shave?

The best work in Hartland or, in fact, north of St. John is done in our shop on depot street. Razors Honed. Cigars and Pipes.
