In addition to these general services, the crime of horse stealing has been considerably checked, and the culprits compelled to restore the stolen animals. Lt. Col. Irving, Commissioner of North- My Dear Macdonnell: Report the obstacles he met with in his endeavors to persuade the Indians to settle upon their new reservations, and connected to pay no lead to knock off the interest as you suggest. The case will go to settle upon their new reservations, and confined his remarks to an observations of the lead of the pay no lead to knock off the interest as you suggest. The case will go to settle upon their new reservations, and confined his remarks to an observations in the least of the old Bank of Upper Canada premises, and we have decided to knock off the interest as you suggest. The case will go to settle upon their new reservations, and confined his remarks to an observations.

deal with.

"The obstacles placed in the way of such a movement, by the Indians themselves, were innumerable. For some time I feared I should find it impossible to induce "Pie-a-Pot," (who is a half Creand half Assimaboine) and his followers to proceed to a northern reservation. Ultimately, however, "Pie-a-Pot," agreed to 20 on his reservation, if he received the Cypress this as their nome. It-is not therefore, to be wondered at that I had considerable difficulty in inducing them to accept a new and northern re-serve. "The man that took the coat," or "Jack," was the first Assinaboine Chief
