VALUE OF AN EDUCATION.

education is what can be done with it. Without education there is almost absolutely no hope of attainment to any great measure of usefulness or success in the world, and that education will be found to be the most valuable as the means of success in life, that leads out in the direction of the world's greatest and vital activities—the pursuits of a

VENTURA'S OWNERS PROTEST.

LIVERPOOL, April 23.-Larrinaga & Co., the owners of the Spanish Steamer Buena Ventura, captured yesterday off Key West by the United States cruiser Nashville have issued a signed protest against her capture. They claim that the seizure was illegal and that the cargo belongs to British merchants and was insured in Great Britain. They add that the steamer left Ship Island on April 14th., and her captain was not aware of the outbreak of war.

Finally, the owners of the Buena Ventura claim the capture was illegal as there has been no formal declaration of war, and the ultimatum of President McKinley to Spain had not expired when the
