

WHO IS MRS WINSLOW?

As this question is frequently asked, we will simply say she is a lady, who for upwards of thirty years has devoted her time and talents as a female Physician and nurse, principally among children.

Winslow is becoming world-renowned as a benefactor of her race; children do rise up and bless her; especially is this the case in this city. Vast quantities are dispensed and used here.

MUCH SICKNESS. Scarcely with children, attributed to other causes, is occasioned by Worms, Brown's Vermifuge Comfits, or Worm Lozenges, although effectual in destroying worms, cannot possibly injure to the most delicate child.

DELICATE WOMEN, Pale-faced, Sickly Children, the Aged and Infirm, alike are benefited by the Strengthening and Blood Making Power of "Hanington's Quinine Wine and Iron."

THE HORRIBLE, UNSIGHTLY, BLOTCHES AND PIMPLES, and the SALLOW, COLORLESS COMPLEXION can be QUICKLY and EFFECTUALLY replaced, by a CLEAR HEALTHY SKIN. The remedy is CERTAIN and EASILY PROCURED, and is simply "Hanington's Quinine Wine and Iron."

Local Matters.

Special Meeting. A special meeting of the City Council will be held on Tuesday evening to authorize a temporary loan and transact other business.

Notice. The subscriber is prepared from date to repair or put up pumps or parts thereof of every description at short notice at the lowest possible rates.

Telegram of Condolence. Mr. Joshua Chandler yesterday evening received the following telegram from His Worship Mayor Ray of St. John:

The Holiday Trade. Tweeds (Canadian and Scotch) and Broad-cloth suits made to order in the latest and most approved styles at the establishment of J. Collins, No. 4 Coy's Block, Queen street.

Funeral of Gov. Chandler. On Monday morning all that is mortal of His Honor will be taken by train to Dorchester, where it will be interred. There will no doubt be a large following.

Advertisement. A choice lot of domestic TWEEDS, Kitchen Furnishing Goods, for sale very low at J. & J. O'Brien's, Tinshop, corner Queen and Carleton streets.

A pro-tempore Administrator. The appointment of a successor to Mr. Chandler, Chief Justice of the Court, has been appointed Administrator of the Government. He was sworn in yesterday.

Lumber. Mr. Jarvis and Bradford Howard have several large parties of men at work on the Alleghash, a branch of the St. John. Their only disadvantage thus far has been in the distance they have to haul their lumber.

Delayed. The 11.40 train was delayed at Fredericton Junction yesterday two hours and a half. Whirlsacking out of the station at that place one of the tender-wheels broke and threw the locomotive off the rails and it was necessary to take a pair of wheels off a flat car to repair damages.

STAR BRIEFS. It is said there is a Smith born every 40 minutes. The public offices are closed, and the flags of the city are at half mast to do honor to Mr. Chandler.

Lectures. The next lecture at Nashwaakia under the auspices of the I.O.G.T., is to be given by Dr. Rand, on Thursday next. The doctor announces that it will be merely a conversation.

Personal. F. Wood, M.P.P., has just gone home after spending three days in the city. Hon. Robert Young is in the city, looking quite ailing, but withal, we are glad to say showing marked signs of recovery.

Robbery. On Thursday evening Mr. Adam Annett's house at Nashwaakia was entered by parties unknown who managed without a sled or vehicle of any kind to make off with several quarters of beef and other edibles, leaving Mr. A.'s commissary department in a very depleted condition.

The Landmarks of our Fathers and Modern Thought.

Lecture at Douglas by Rev. W. W. Brewer. Rev. W. W. Brewer lectured in Nashwaakia Hall Thursday evening on the subject of "The Landmarks of our Fathers, and Modern Thought."

The discourse, which occupied about three-quarters of an hour in delivery, consisted in a masterly discussion upon the instincts of progress, his struggle with the instincts of the unknown, his battle endeavors to analyze the supernatural and the miraculous and reduce all things to laws of materialism and physical force.

"We cannot live today upon the beliefs of the past. Faith is a bankrupt, her accounts are under strict examination to determine what assets remain to be distributed among the unproverished souls that are her creditors."

At the regular meeting of this Lodge Friday evening, the following officers were installed for the present term by W. E. Johnston, Lodge Deputy:

Geo. McFarlane, W. C. T.; Annie Bird, W. V. T.; Thomas Tiley, W. Secretary;

Communications. Sir, Can you inform me who it is that has the management of the Gaol of this city, that is to say, whether it is Mr. Long or his wife? If it be the former let him attend to his own duty and let Mrs. Long keep as much as possible in her own apartment, looking after her domestic concerns.
