EVERYBODY WILL BE ARRESTED.

Pressman, Pa., August 10.—Secretary Lovett, of the Carnegie steel company, is the authority for statements showing the breadth of the plan of the Carnegie company to conquer Homestead strikers who are in the city of July and hold the company's property until disposed by the soldiers. The report of fifty-three infamously for murder or aggravated riot, and eight arrests on these charges, is to be increased to sixty. Information on charges of murder and aggravated riot stands against the strikers before the grand jury.

On the other hand, W. J. Bowman, for the anti-trust association, says: "The strikers do not propose to be behind the company in the matter of prosecution, and the riotous business riot charges will be made early this week against the members of the Iron and the Picketers."

The Cure For

Scurfule was once supposed to be the result of impure blood. Today, many grateful people know that the "scurfule remedy" is Ayer's Scurfule. This powerful alternative cathartic "the evil" by thoroughly cleansing all the impurities from the blood. Consumption, cough, and various other physical as well as mental troubles, have their origin in it.

SOROFULA

When hereditary, this disease manifests itself in addition by glandular swellings, running nose, swollen joints, and general debility. Administered by Ayer's Scurfule, an appearance of the first symptoms, a cure is effected. My little girl was troubled with a painful scurfule, which was cured by the use of Ayer's Scurfule. The physician being unable to cure it, I took a few bottles of
