B., are building extensive horse and cattle stalls to house the stock which is now being entered, from all the Provinces, for exhibition at their International Fair in September next. Exhibitors should write to the Managing Director—C. A. Everett, for copies of entry papers.

And a good appetite go hand in hand. With the loss of appetite, the system cannot long sustain itself. Thus the fortifications of good health are broken down and the system is liable to attacks of, discase. It is in such cases that the medicinal powers of Hood's Sarsaparilla are clearly shown. Thousands who have taken Hood's Sarsaparilla testify to its great merit as a purifier of the blood, its powers to restore and sharpen the appetite and promote a healthy action of the digestive organs. Thus it is, not what we say but what Hood's Sarsaparilla does that tells the story and constitutes the strongest recommendation that can be urged for any medicine. Why not take Hood's Sarsaparilla now?
