Monday last was the hottest day re-embered in Charlottetown. The official reaks all previous records. Forest fires in New Brunswick are supposed to be a contributing factor to the unprecedented

the Atlantic. She left Moville, Ireland, after taking on board Canadian mails, Saturday afternoon at 2.15 August 11th, and arrived at Rimouski Saturday morning leat at 4.25 heating all provious records between these points via Cape Bace.

Two well known and highly respected citizens of Frederictor, N B, entered the store of a friend a few evenings ago. While sitting in the back shop in the temporary absence of the proprietor each of them took a drink out of what they thought was a jar of ice water. It proved to be cyanide of potassium, a deadly poison, used for cleaning silver. In spite of medical assistance both men died with-

John Fraser of North Sydney was found guilty the other day of stealing place and sentenced to four years in Dorohester penitentiary and George Dougall of Sydney found guilty of receiv-Company's brass stealing case, was given ne month in County jail with hard labor. Fraser is a ticket of leave man from Dorchester penitentiary having been entenced to a four years terms in North Sydney some years ago for stealing.

lass, was surprised on Friday when it came known that the First National Bank of that city, one of the oldest instituions in this section of the state had been closed by the Comptroller of Currency. Bank examiner, Alfred E Ewen has been placed in charge. Many of the small radesmen have practically all of their ready money tied up in the bank but it is said that relief will be effected by the Winnisemmet National Bank of Chelses which has offered to pay to depositors of he First Matlonal 50 per cont. of all

Boston advices of the 18th say :- Reports from many cotton mills centreshow that in numerous mills the marked shortage of help which became apparent last spring still continues, although some of the corporations have made additions place to the parish cemetery Lot 65. (Reliable) — \$7.50, \$10.00, to the names on their pay rolls since the recent general advance in wages. Many agents say that in the entire cotton textile trade there has deen a curtailment of 20 RINGS, for Wedding or por cent. during the past twe months, largely due to the shortage of help. The ecreased production has affected the otton market to some extent and has een influential, it is said, in lowering of S PECTACLES, in rimless the price of the raw material. In New common mounted. Lenses admills for a week or more, thus taking mills for a week or more, and the mills for a w larger quanties of goods out of the market On account of the curtailment of production it is expected that the cotton goods will sell at higher prices.

> Forty persons were poisoned by impure ce cream at Salisbury Beach, Mass, last Wednesday evening and six of the victims are in a serious condition. These victima there affected are residents of Haverhill and vicinity. The persons seriously were taken to Hotel Caching. All six were unconscious and in a serious condition. Practically all of those affects ntinerant vendors who sell ice cream fruit, confectionery, etc, from waggon

News reached here from Regina, Sasch on Wednesday evening last that Barret Henderson, a well known butcher and cattle dealer of North River near Charottetown had been shot dead near Regina on that day. Mr Henderson had made several trips to Western Canada of late, and had purchased considerable quantities of land and intended to remove his family there this autumn. It appears he owned a section of land near Pilot Butte and ad-Gilbert. A short while ago Henderson bought Gilbert's land and on the day in question went to the Gilbert's farm to get some supplies. He and Gilbert were at on was discharged and the jaw was shot off Henderson. He started to run crying that he was murdered and Gilbert followed him brandishing the gun. The mpunted police came on the scene and Henderson was taken to the hospital at Regina where an operation was performed but he died in a short time, Gilbert says he was going to shoot a gopher and the guought in the door post of the barn and was accidently discharged. Henderson in reported to have said on the way to the Rospital he was deliberately shot. Gilbert has been found guilty of wilful murder by the Coroner's jary.

Valparaiso Destroyed Fire.

Valparaiso, Chili, Ang. 19-At 7.52 Colock last Thursday evening, Valparaiso experienced an earthquake of great severity, and during night 82 shocks were felt. Most of the buildings of the city either were ruined or dam-

paraiso and having a population of over 10,000, Quirhue, 225 miles to the southward, with a population of 2,500, Salto, Limieta, 25 miles to the southwest with other registered 92.3 above. This a population of 6,500, Quilota, 25 miles previous records. Forest fires to the northwest with a population of 10,000, and villages all around were de-

> which started immediately after the first shock. The whole population slesping in the hills, the parks or the streets. Food is very scarce, milk costs two Chilean dollars a litre, and it is alost impossible to obtain meat even

The railroads are all destroyed. Rain which began to fall immediately after the first shock, stopped an hour afterwards. The nights are very cold and windy and the people sleeping in the open air are suffering greatly.

The captain of a steamship which has arrived from San Francisco says that he situation is worse here than that following the disaster at San Francisco. London August 20-In a despatch from Valparaiso, without idate, corre pondent of the Daily Mails says Sixty per cent. of this city has been completely destroyed. The death roll is very heavy. There were 82 shocks during Thursday night and there have been 300 more since then. The tremors still continue. One hundred thousand people are homeless and des titute. Water is giving out. Sur rounding towns have been destroyed

and the railroad has been cut. Washington, August |19-A despatch to the state department from the American Consul-General at Iquiqui, reports that Valparaiso is in ruins from an earthquake and is on fire. He stated at the time of the filing of his despatch there was no communication with Santiago and no further details were obtainable.

C. M. B. A. at a regular meeting Branch 351 held at St George's on the 17th. The following resolution was unanimously adopted: -Whereas it has pleased Almighty God, in His infinite wisdom to removed by death, Mrs Ronald G McDonald the beloved mother of our worthy Spiritual Director and Treasurer, Rev. D. J. G. McDonald. Resolved that we the members of Branch No. 351, C. M. B. A. take this opportunity of recording our worthy Rev. brother our heartfel condolence. Further resolved that this be sent to The Canadian local press fo
