### Address.

REV. J. T. ASHLEY, L.T.H.

Reverend and dear Father Ashley,—With feeling of profound and sincere regret we, your parishioners, learn of your departure from amongst us, where for the past seven years you have laboured for the honour and glory of God and for the spiritual and temporal advancement of the people of Argenta.

Though severed by distance you are yet united to us by sacred ties, which find a place in the hearts of those who worship at the altars of the one holy, Catholic and Apostolic Church, guided by the Supreme Pontiff commissioned by Christ to rule and guide His flock, and we are happy in the consoling reflection that some time memory will recall recollections of those from whom you now part—people who will ever hold reverential and felicitous remembrance of one whose affability, candour, and kindly demeanour has been the admiration of all. For ourselves when we consider the void created by your removal from this parish we can say with the poet:

"Fair hope is dead and light is quenched in night." But on the other hand we are cheered by the knowledge that in the new field of labour to which you have been called you are but receiving "reward of duty well done."

The Master of the Vineyard knowing that you had long borne the heat and burden of the day, the time of recompense had come, hence the decree of promise to the good and faithful servant, strikes less painfully at the hearts of an appreciative and admiring people.

We shall always look with pride and joy on what may be termed the noblest effort of your zeal and solicitude, and must be ranked first amongst the many meritorious improvements effected during your ministry and which fills a long-felt want in this community.

We refer to the stately edifice, the new church (now completed and dedicated to Our Lady of the Rosary) a triumph of architectural skill, a structure of chaste design, symmetrical proportions and faithful workmanship which has few equals. Many difficulties presented themselves during the initial stages of the undertaking. The dire effects of the unequalled war now raging in Europe were being felt. Even in this country conditions generally were not encouraging, but, assisted by a willing people our beloved Soggarth Aaron came to the rescue and by his administrative ability, energy and perseverance has succeeded beyond the most ardent expectations and has given us a beautiful church, meet though mute sentinel of our Holy Faith, a lasting temple to the honour and glory of Almighty God and for the salvation

of souls, fitting climax to the unselfish labours and the devotedness of a worthy and pious priest.

To enumerate the many improvements made and being promoted during the term of your apostolate here, can only be imperfectly dealt with in the limited space of this address.

Under your fostering care education has been stimulated and owing to your strict attention to and personal supervision of our schools, best results under the present defective and exclusive system of the C. H. E. have been realized.

Notwithstanding the multifarious duties devolving on you in connection with the building of the principal Parish Church time has been found to attend to other outlying settlements.

Funds have been received for the erection of churches in Fox Harbour and Red Island in the near future.

The formation of religious societies inaugurated by you, notably those of the Holy Name, and League of the Sacred Heart, whose membership now embrace the greater portion of the names of the parents and families of Argenta as also many of those of other localities. The introduction of those salutary missionaries of the Redeemer and Pastoral Orders who have held missions here, these and many other good works will long remain in grateful memory of the good pastor, who by these means opened to use the source of inestimable good. Finally, and the fact is incontestable, that apart from the duties of your sacred office, you have ever been an Argenta man and upon all occasions—both by tongue and pen a consistent and sterling advocate of the rights and liberties of her sons.

In regretfully saying farewell we ask your acceptance of the accompanying purse, not for its intrinsic value but as a slight memento of our esteem, respect and sincere regard. Asking a remembrance in your prayers in the Holy Sacrifice of the Mass, we at the same time earnestly hope that you may yet be spared many years in the new field of labour to which you have been called. The memory of your many virtues will hover like a blessing over this parish to cheer and ennoble the lives you leave behind.

With profound respect we remain, Rev. and Dear Father Ashley, your faithful and admiring parishioners. Signed on behalf of parishioners, John T. O'Reilly, John J. McGrath, E. P. Houlihan, Michael Healey, Peter Smith.

TO REV. JOHN T. ASHLEY, L. TH., FROM THE TEACHERS OF ARGENTA PARISH.

Reverend and Dear Father,—We, the teachers of Argenta Parish, desire to offer you a testimonial of our deep appreciation of the interest and sympathy you have always shown us in our work.

Under your regime this parish, educationally, has attained a rank equal to and can hold its own with any parish in this Dominion. The atmosphere of our schools is healthy and teachers have spread from this parish, like branches from the parent tree, to other parishes and are doing good work, the seed of which you have sown. Graduates of our schools have taken a foremost place in our great educational institutions of St. John's, viz., St. Bonaventure's College and St. Bride's Academy, Littledale.

When you came to this parish, seven short years ago, we heard of your force as an educationalist, and we hoped at that time that you would infuse some of that force into our imperfect educational system. Our hopes have been fully realized. From the beginning of your administration amongst us you manifested the greatest interest in refining and uplifting the moral tone of our schools. We could always rely on your sympathy and assistance in the performance of our arduous duties.

The life of a teacher is not always a bed of roses and when the ecclesiastical authority shows indifference, that life becomes a bed of thorns. Our lives were not thorny, thanks to you, many and prolonged visits to our schools, by which you showed that keen interest in the advancement of education with which your name is synonymous and the many hours you have spent personally conducting classes, must have placed their im-

press on the characters of those pupils and must be evidenced in their future lives. In future years, in other climes, your maxims, taught the children of this parish, will bear fruit. As we cannot tell where sounds sent out on air may reach, so we will never know the effect of those hours on the future lives of those children but we know the effect will tell, and for their good.

Your new appointment is a severe loss to the parish of Argenta, but we sincerely hope you will not altogether desert us; you will reserve one little niche in your heart and one little spot in your memory for the children and teachers of this parish.

We hope that as often as your new duties permit you will visit us, and we assure you, dear Father, that a heartfelt welcome will always await your coming.

Praying that God may grant you many, many years of health and strength to carry on his work in your new parish.

We remain, dear Father, ever your devoted children.

Margaret Cleary, Nora Sparrow, Mary Evans, Catherine Fitzpatrick, Andrew Rose.

### Could Not Lift a Stick of Wood.

Would Almost Faint From Severe Pain in Back—Doctors Could Not Get the Kidneys Set Right.

A great many people suffer the results of deranged kidneys and do not understand the cause of trouble or the way to obtain cure. The writer of this letter suffered excruciating pains in the back and in fact his physician tried to cure him. For some reason or other his medicines did not have the desired effect.

Mr. Olt's brother was a merchant selling, among other medicines, Dr. Chase's Kidney-Liver Pills, and he heard his customers telling about how they were cured of kidney derangements by their use. This led to Mr. Olt putting them to the test, with the splendid results reported in this letter.

Mr. E. C. Olt's Benton, Carleton County, N. B., writes: "I am glad to let you know how much your medicine has done for me. I suffered from my kidneys, which at one time were so bad I could not lift a stick of wood without getting on my knees, and then would almost faint from the pain in my back. I consulted a doctor about it, and he gave me some medicine, but it did not help me. My brother, who is a merchant, and carries all your medicines, advised me, so I got another one, and kept on until I had taken five boxes, which cured me. I have had no trouble with my back since, and am never without Dr. Chase's Kidney-Liver Pills in the house. Last summer I also suffered from piles. I used three boxes of your Ointment, and it cured them. I can certainly recommend Dr. Chase's Pills and Ointment." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c. a box for \$1.00, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute or you will certainly be disappointed.

### Greek Distinction.

Mr. Gordon Mate (youngest son of Mr. and Mrs. G. A. Mate, formerly of Poole and Bournemouth) has received marked distinction from the Greek Government in recognition of services he has rendered at Syria, where during the whole period of the war he has been working as a representative of the Eastern Telegraph Company and acting also as Vice-Consul for the British Government. Mr. Gordon Mate has received intimation through Earl Granville, of the British Legation at Athens, that the Silver Cross of the Chevalier of the Royal Order of the Redeemer has been conferred upon him and that the acceptance of the decoration has been authorized by his Majesty's Government. Mr. Gordon Mate is one of the "old boys" of Bournemouth School—The East Dorset Herald.

[The many friends of Mr. Mate, in Newfoundland, will be pleased to learn of the honor that has been conferred upon him by the Government of the historic Greeks.]

## Goodyear Quality Lowers the Cost-per-Mile

Goodyear Value does not stop at fair prices—or rather, it does not begin at any price.

Long mileage is the first aim of the Goodyear factories and excess mileage is the aim of Goodyear Service Stations and Dealers everywhere. We believe that there is not another tyre manufactured today that will give so low a cost-per-mile as the new type Goodyear.

We believe it from our own experience, and because we have seen it proven by figures gathered from many sources. You can make your decreased tyre-cost-per-mile, through fitting Goodyears to your car, offset your increased petrol-cost-per-mile.
