Notice of Claims Against Turkish Government

Notice is hereby given that any person having any claim, by reason of having suffered any damage in respect of his person or property, on territory which was Ottoman on the first of August, 1914, or at sea, between the first of August, 1914 and the 6th of August, 1924, as the result of any act or negligence of the Turkish Government, (including damage resulting from measures of requisition, sequestration or confiscation), and also direct damage suffered on the same territory between the dates mentioned, as the result of any acts of war, must furnish particulars of such claim, supported by documents and evidence, to the undersigned, on or before the first day of March next.

NOTICE.

Four weeks after date hereof application will be made to His Excellency the Governor-in-Council for Letters Patent for "New and Useful Improvements in Insulating Material for a Submarine Cable," to be granted to John Johnston, of New Haven in the United States of America, Consulting Chemist.

Notice is hereby given that all persons having any claim or demand upon the estate of James F. Parker, late of St. John's, Manufacturer, deceased, are requested to send notice of their claims duly attested to the undersigned Solicitor for the Executor on or before the 18th day of February next after which date the Executor will proceed to distribute the estate having regard only to those claims of which she then shall have had notice.

Dated at St. John's the 17th day of January, A.D., 1925. J. G. HIGGINS, Solicitor for Executor.

A Simple Home Test.

Put into separate pans an equal amount of Crisco and any other fat. Heat slowly for eight minutes or until they reach a temperature where a bread crumb browns in forty seconds. Notice that the Crisco does not smoke at this proper frying temperature.

You will find that frying with Crisco will be very helpful in the home for it keeps the kitchen fresh and free from the odor of cooking fats. At grocers.
