OWNERS OF HORSES AND LIVE STOCK, SHOULD INSURE THEM AGAINST THEFT, AND DEATH BY DIS-ease or Accident, in the HARTFORD LIVE STOCK INSURANCE COMP'NY.

OWNERS OF HORSES. Manufacturers, Expressmen, Teamsters, Physicians, Farmers, and, in fact, all who are to any extent dependent upon the services of the horse in their daily vocations, should insure in this Company, and thus derive a protection against the pecuniary damage they would otherwise sustain in the loss of their animals, which are in many cases, the sole means of support to their owners.

SUDDEN DEATH OF COL. STEPHENSON. A painfully distressing accident occurred at St. Catharines on Monday afternoon about five o'clock, by which Col. E. W. Stephenson, the well known proprietor of the Stephenson House and mineral baths, was so severely injured that he died at 9 o'clock p. m. At the time of the sad occurrence he was driving a favorite team, in company with his nephew from Chatham and another friend, when the horse and wagon took a fright, nearly opposite the Wagon house, and became totally unmanageable. The Col. used his best endeavors to rein them in, but to no purpose, and they finally ran into Messrs. Miller & Miller's saw mill, on St. Paul street, smashing in the windows and door and precipitating the Colonel into the office clefting the window. The shock was so severe that his spine was seriously contused and his head badly hurt. Dr. Maek was promptly in attendance and did all in his power to alleviate his sufferings but without avail. The other gentlemen with Mr. Stephenson at the time providentially escaped unhurt.

Cancers Cured. By a New, but certain, speedy, and nearly painless process, and Without the use of the Knife. The cure will be guaranteed, and, as a proof of this, no pay is required, until the cure is complete. The moment a cancer is discovered it should be cured as it will cost less and is more speedily cured than when of long standing, and there is nothing to gain, and everything to lose by delay. What now seems a harmless lump in the breast, neck, eyelid, or elsewhere, or small wart or sore on the lip, may, in a few short months, become a hideous, disgusting, and destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy. All communications promptly answered. No money required in advance, and none until the cure is complete. Ottawa, April, 1867.

FIRE AT PARIS, C. W.—On Friday morning at half past one a fire broke out in the clothing establishment of T. & J. H. Graham, consuming a barber shop, book and fancy store, reading room and clothing store. Insured for \$4,700. The fire is supposed to be the work of an incendiary. Ottawa, April, 1867.
