LONDON PLAYS AT CHATHAM TONIGHT

Intermediates Go Into Second Game of the Round With Five Goal Lead.

TRIBUTE TO WETTLAUER

Close of Another Season Same Man Registered as Finest and Fairest in Business.

The London intermediate hockey team left this afternoon at 2:05 for Chatham, where the second and deciding game of the round will be played with the Maple City crew this evening.

London walked the Kent County outfit 7 to 2 in this city, and has now a lead of five goals with which to commence the final contest. The regular line will be presented, and the regular lineup will be presented, and the regular lineup will be presented.

Wettlaufer gets about everything that occurs. Scarcely an offside gets away from him in a season, he keeps the players moving every minute, and eliminates any rough work.

A home crowd has no effect on him, he plays the game fair and makes a contest worth witnessing. His integrity has never been questioned by any person familiar with the game.

Wettlaufer is coming along fine in this district, too, and those who have seen him in action declare that he will be another Wettlaufer. His work is, and has been, the warmest commendation, and lovers of hockey may rest assured that he will keep a game well in hand at all times.

PACKET HAS THREE FIGHTS SCHEDULED

Intends To Hook Up With Madole, Moran and Murphy.

Chicago, Feb. 14.—Packer McFarland will be a busy man for the next few days, according to Emil Thier, his manager, who returned from New York yesterday. The Chicago boxer will appear before Jack O'Brien's fight at Philadelphia Feb. 22, against Frankie Madole, of Pittsburgh.

The Smoky City lad was secured in Chicago by Champion, who was originally picked for the bout.

They bring the news that McFarland will be in action against Moran, possibly on March 14, at New York. Negotiations are now being carried on for this bout, which is scheduled for 10 rounds.

On Feb. 25 the Fairmount Club at New York will pit either Tommy Murphy or Sammy Smith against McFarland. This date is a certainty.

A DAY IN THE SPORTING WORLD

UMPIRE EMSLIE NOW SUBSTITUTE

St. Thomas Veteran Removed From Ranks of Regulars in National.

SCHEDULE OUT TODAY

Talk of a New Ball for League Use—Scrap Expected at Close of Season.

New York, Feb. 14.—The adoption of minor constitutional amendments, and the selection of umpires were the only definite things done at a meeting of the National League of Professional Baseball Clubs today. There was a great deal of talk of an impending inter-league struggle, but nothing tangible enough to crop out in the open. The schedule probably will be adopted tomorrow, as prepared. Dissatisfaction last year disrupted it until only a small part of the original remained.

The following umpires were appointed as the staff for the coming season: Henry O'Day, Wm. J. Klein, J. E. Johnston, Charles Rigler, Wm. J. E. Johnston, Charles Rigler, Wm. J. E. Johnston, Charles Rigler.

New Styles. The Philadelphia and New York clubs were given permission to use a white suit with harlequin stripes on their home grounds. This is an innovation.

President Lynch will inspect all dressing rooms, all over the league before the season opens, and will insist on proper accommodations for the visiting players.

E. J. Goldsmith, of Cincinnati, occupied more than two hours of the league's time in explaining the merits of a baseball, which he wants the league to adopt. This proposal is a hard-fought issue as powerful financial interests have already derived great revenue from this source, and there is a disposition to contest the matter. It will probably come up for further discussion tomorrow, although the contracts for the ball used at present do not expire until April, 1912.

Expect Fight Next Fall. There were rumors today that forces are being marshalled for the fight next fall when the league must vote to continue or reject the ten-year agreement with the American League.

Garry Herrmann, of Cincinnati; Barney Dreyfuss, of Pittsburgh; Stanley Robinson, of St. Louis, and John Brush, of New York, are reported with a combine to renew the contract of peace.

Horace Fogel, of Philadelphia; Chas. W. Ebbets, of Brooklyn; and Chas. E. Murphy, of Chicago, are said to desire making more favorable terms with the American League. Consequently, both sides are in a state of suspense.

William Hebburn Russell, one of the owners of the club, said that he had not aligned it with any particular political party, neither left nor right, and that he would vote independently on all matters.

Everything Locally. Although talk of possible friction has been plentiful, no outward manifestations of trouble in the National League had been noted when the managers of the present season's season of their schedule meeting. The adoption of the schedule, the chief business of the meeting here, was left over until today.

Everything pointed to its being accepted by the league, as it was prepared and submitted by the schedule committee.

THE RIGHT IDEA. The New York Sun says: If it were possible to compel the observance of a law that pedestrians look to see what's coming before they step off a curb, perhaps there would be less automobile accidents.

ABBATICCHIO OUT OF BASEBALL. Pittsburgh, Feb. 14.—Edward Abbatichio, completed a deal today which will take him out of baseball altogether. For \$500,000, the deal was bought. The Kutz Cafe, a small hotel near Forbes Field, and he will assume charge of the place. He will leave the team to play ball with Louisville in the American Association, but he will not report to the Colonels.

AMERICAN LEAGUE SCHEDULE ADOPTED

Johnson's Dates Accepted by the Club Owners and Officers at Chicago.

SEASON OPENS APRIL 12

Representatives From Every Club in League Attend—Chicago Gets Most Sunday Games.

Chicago, Feb. 14.—Playing dates for the season of the American League baseball league, as tentatively arranged in a schedule drafted by President Johnson several weeks ago, were accepted without a change at the meeting of the club owners and officers of the league today.

The schedule will open April 12 with the eastern clubs appearing on eastern fields, and the western clubs playing in the west. Chicago will open the season at Detroit, Cleveland at St. Louis, New York at Philadelphia, and Boston at Washington. After a four-game series, Chicago will go to St. Louis, Cleveland to Detroit, while the eastern clubs remain idle.

Celebrities There. Chicago headed the long list of Sunday games at home, leading the list with 12, while St. Louis gets 15 Sunday games and Detroit 14.

The season of holiday games will be played in the east. Representatives from every club in the league attended the meeting. Not a trade was made, although offers of the Washington and the St. Louis clubs offered several deals. Announcement was made by H. J. Hendon, president of the St. Louis club, that he had secured First baseman Matty Ryan, a former Chicago semiprofessional, from the Green Bay club in the Wisconsin-Illinois League.

Chicago Does Well. Baseball celebrities were in attendance, among them being Jack Dunn, manager of the Baltimore Eastern League club, and E. J. Connelley, of the American League, of the Detroit team.

The American League schedule was presented as follows: President Farrell, Manager Chase and Scott, of New York; President Schaefer, of Philadelphia; President Noyes, and Manager McVey, of Washington; President Rogers, and Manager Wallace, of St. Louis; President Noyes, and Manager McVey, of Washington; President Rogers, and Manager Wallace, of St. Louis.

After the meeting the club owners and officers were the guests at a banquet at the Waldorf-Astoria, where the members of the Philadelphia club, in celebration of the victory over Chicago in the 1910 season, were seated.

Sensational Tris on First?

TRIS SPEAKER.

Considerable talk is going on in big league circles over the intention of President John I. Taylor, of the Boston American League club, to try and Tris Speaker, the sensational outfielder, and Jack Thoney, another outfield wonder, on first base this year.

At first glance to send Speaker to first looks like weakening the outfield, but if Thoney can play the garden this year, he can fill Speaker's shoes acceptably.

Some of the greatest first basemen were "made over." The whole thing hinges on ability to handle balls thrown from all directions, come in fast on bunts, handle hard-hit ground balls, and cover a large amount of territory. As batting strength is a great big asset, the switch of Speaker to first base cannot be said to weaken the aggressive quality of the team.

DURNELL'S RISE TO TRAINER FOR KING

Discredited Here Few Years Ago. Now Occupies High Place Abroad.

New York, Feb. 14.—From a discredited trainer, a man without standing on the turf in 1908, to charge de horse for the King of Romania as trainer for the present year, the rise of Durnell, a British subject, has been the experience of C. TWENTY-FIVE HAVE GONE BELOW 2:05

Nineteen Years Ago Next August Nancy Hanks Accomplished Feat For First Time.

FAMILIES REPRESENTED

Very Few Have Produced Extreme Speed—The List With Different Divisions.

In 1892, or 19 years ago next August, the first trotter accomplished the feat of taking a record below 2:05, the game little mare Nancy Hanks, by Harry Middleton, being the one to bear this distinction. Since that time, 25 trotters have added their names to the list, but only one, the famous 2:05 trotter, has been produced since that time.

The following are the names of the 25 trotters who have gone below 2:05:

Male line—Hamburg, Belle, 2:04; Sweet Marie, 2:05; Sonoma Girl, 2:04; John A. McKerron, 2:04; Colorado, 2:04; Edwin, 2:04; Tiverton, 2:04; Jack Leyburn, 2:04.

Female line—Major, Delmar, 1:59; The Harvester, 2:01; Hamburg, Belle, 2:04; General H., 2:04; Colorado, 2:04; (3), 2:04; Mainstreet, 2:05.

Male line—Hilton, 1:58; Major Delmar, 1:59; The Harvester, 2:01; The Abbot, 2:04; Bob Douglas, 2:04; Admiral Dewey, 2:04.

Other prominent families represented through either the male or female line are:

Marmoro Patchen family (female line), Sweet Marie, 2:05, and The Abbot, 2:04.

Stratton family (male line)—Lou Dillon, 1:58; Edwin, 2:04; Forest family (male line)—Punka Arab, 2:04; (female line), Tiverton, 2:04.

Woodford Marmoro family (male line)—AHS, 2:04.

Robert McGregor family (male line)—Crescent, 2:04.

Harold family (female line)—Ally, 2:04.

Volunteer family (female line)—Lillian R., 2:04.

Aberdeen family (female line)—Lillian, 1:58.

These statistics show how comparatively few of the trotting families are producing extreme speed, and they also show that there are only two great families today, those of George Wilkes and Harry Middleton.

M'INTOSH BLAMED FOR "BOOSTING" FIGHT PURSES

National Sporting Club of London Inclined to Disfavor Australian's Policy.

New York, Feb. 14.—It is said that England's most influential boxing organization, the National Sporting Club of London, which is patronized by nobility, has not regarded the aggressive policy of Hugh McIntosh, the Australian promoter, with favor.

McIntosh is preparing to give up the promotion of glove fights in London some time in March, and the gossip hint that he has received a quiet hint that his activity is somewhat displeasing.

The National Sporting Club, which has been much for ring contests, and Blaine McIntosh for the present exhibition demands of the pugilists.

The National Sporting Club would like to secure another meeting between Paddy McFarland and Fredrick Ebbets, in so far as McIntosh remains in the game, it is entirely out of the question.
