PROTEST AGAINST HIGHER RENTALS

Tenants of Market House Appear Before Members of Finance Committee.

DAM TO COST \$150,000

If the Brittain report does not deal extensively with city hall salaries, the members of the finance committee will point up for real warfare, judging from their attitude last night. "Will any one answer this question: How long is Mayor Wenige going to hold up this salary business?" came the unexpected query from Ald. W. A. Wilson. "Any report yet from Dr. Brittain. We are waiting for him," asked Ald. Gordon Drake. "He never reported to me," responded Ald. Albert Judd, chairman. "I would like to answer you, Ald. Wilson, but Mayor Wenige assured us that Dr. Brittain and his staff would submit a salary recommendation, and that a report would be ready within 10 days. In the meanwhile we'll have to accept his word for it." "Can you find out if they are going to do anything about salaries?" per-

sisted Ald. Drake, while Ald. John Greer also desired to know whether Dr. Brittain's report would cover the phase of the situation. None could shed positive light upon the subject, and the committee turned its attention to other affairs. Market rentals claimed the attention of the councillors during the greater portion of the evening, and Messrs. Morris and Anderson headed a deputation of tenants protesting against proposed increases. The committee argued the issue at considerable length. No action was taken, however, pending a first-hand survey of the situation Tuesday morning next by a special committee comprising Aldermen Judd, Burdick and W. A. Wilson.

Would Defer Action. While all members were practically agreed that the outside tenants were not being assessed sufficiently, there was a clear division of opinion respecting the proposal to elevate rents in the market house, and Ald. Wilson favored a move to leave this matter in abeyance until 1924. Ald. John Greer urged further and closer consideration, however, and an extensive report on market conditions prepared three years ago will be uncovered at the city hall and used in a final effort to deal as fairly as possible with the tenants, many of whom, like Messrs. Morris and Anderson, have been doing business on the market for more than a score of years. No action was taken with respect to the proposal from Mayor Wenige that the municipality present colors to the 15th Battalion Canadian Infantry. His Worship was out of the city, and his colleagues professed

entire ignorance in the matter. It will come up at a future session.

Dam to Cost \$150,000. Moved by Ald. Greer and seconded by Ald. Drake the committee unanimously filed a request from the Niagara Falls Chamber of Commerce that they participate in a move to tax public utilities in common with private corporations. Requested by the city council, a report was submitted from General Manager Buchanan of the public utilities commission as to the cost of the proposed dam at Springbank. An expenditure of at least \$150,000 will be involved. Appreciating the fact that this was far too important a question for any hasty decision the aldermen recommended that Manager Buchanan appear before the council and deliver a personal report. Ald. Judd and Ald. Greer announced that the "\$500 loan" reward had been paid to Sergt. O'Connor. A further grant of \$100 will be made to the London Poultry and Pet Association providing that City Treasurer Bell can report that sum available.

FINE WALKERVILLE MAN FOR POSSESSING OPIUM

Special to The Advertiser. Windsor, Aug. 29.—George Lee, Walkerville restaurant proprietor, was fined \$200 and costs today when he pleaded guilty to transporting opium. He admitted hiring Frederick Rivers, former constable at Ford, to carry the opium for him. Rivers, who pleaded guilty to being in possession of the drug, was remanded for sentence on bail of \$500.

URGES ALBERTA COAL BE USED EXTENSIVELY

Major Orr Declares Miners Idle While Ontario Needs Fuel.

Canadian Press Despatch. Toronto, Aug. 29.—A deputation, representing public bodies who recently held a meeting here to discuss the coal situation, appeared before the board of control today headed by Major W. F. Orr and requested that another public meeting be held to discuss the distribution of Alberta coal. "Alberta has 3,000 miners out of work and Ontario needs coal," said Major Orr. Several mine owners were present and gave information. Sir George Filmer, an Alberta mine owner, said: "I can bring coal here and lay it down in carlots at \$11 a ton, bituminous coal, any size you want. If the freight is reduced we'll reduce the price of coal. By 1924 we can deliver up to 5,000,000 tons a year."

APPOINTED SHERIFF. Canadian Press Despatch. Toronto, Aug. 29.—T. H. Regan, former M.L.A., was appointed sheriff at Wentworth by the Ontario cabinet at its meeting today.

HONOR SARNIA YOUTH FOR HEROIC RESCUE

Clifford Carter Is Presented With Purse For Saving Life At Muskoka.

Special to The Advertiser. Sarnia, Aug. 29.—Clifford Carter, the young son of Wesley Carter of this city, has been given a purse of \$200, in recognition of his bravery and resourcefulness in rescuing Miss Jessie Pritchard of Lasalle, Quebec, one of the guests at the Bigwin Inn, Lake of Bays, Muskoka. The money had been raised by guests of the hotel and the presentation was made by Judge Garrison in the main rotunda. The incident in which young Carter figured heroically occurred on the day previous to the disastrous fire at the Wawa Hotel on the other side of the lake, when nine lives were lost. It appears that Miss Pritchard fell into the water, which was about 20 feet deep. She had gone to the bottom and efforts to rescue her were made by three others without success. Young Carter was at the hotel, when the alarm reached there. He had to run a distance of more than a city block, divesting himself of his superfluous clothing as he ran. He succeeded in bringing the girl to the surface on the first dive, although she had been under water five minutes.
