Commissioners, with the exception of Phillip Pocock, were present for the last session before September.
Commissioner McFarland, chairman of the parks committee, reported on a meeting with the police commissioners. It had been agreed that Victoria Park be closed to general vehicular traffic, except to one way traffic between Kent and Princess Ave. The corner entrances to the park will be closed to vehicles and the curb will be built up at these spots. A speed limit of 12½ miles will govern what traffic there is.

nors of Woodlawn Cemetery. It was pointed out that while the cemetery was maintained for the public, it was maintained for the public, it was outside the city and not maintained at a loss. Therefore the commissioners felt that no special commission could be given them. The general manager informed the commission that some years ago people living outside the city limits had been put on the city water system at city rates. Recently the system had been gone over and these people were now charged extra for county service.

President Made One of Last Speeches.

Associated Press Despatch Denver, Col., June 19.—A large granite and bronze memorial to the late President Harding is to be erected at Stanley Park, Vancouver, B.C., it was announced yesterday at the eighth annual convention of the Kiwanis Club International. The late president was a charter member of the Kiwanis Club of Marion, Ohio, when he was a United States senator. The site was chosen because it was the site where the late president made one of his last public speeches and because of his public speeches, and because of his expression in that address concerning the peace that exists between Canada and the United States, and in view of the further fact that he was a member of the Kiwanis Club, with
