New Zealand's Premier clares in Favor of Navy For the British

"I am a strong believer in "I am a strong believer in navy for the Empire, not a little squadrons based at a colonies, but one great Improntrolled and directed by Admiralty, built with the as the many parts of the Empire, will come when warsh the many parts of the Empir time will come when warships needed in the Pacific. This ocean of the future, the scene o political developments before years, and the results will need a navy under the British flag to tain peace in the Lacific; but the at present is greater for an I

navy."
Thus stated Sir Joseph Ward, mier of New Zealand, when viewed last evening. He spoke an emphasis that left no doubt his sincerity. At the time tinguished statesman of the tinguished statesman of the is the Southern Cross was about it bark on the Canadian-Australian Makura, homebound after the C defence conference in England. Tatlow, minister of finance, mwelcomed him here.

Questioned further Sir added:

Germany Aggressive.

Germany Aggressive. "You have little idea how "You have little idea how I Germany is pushing forward her policy, and how strongly the G nation is developing its fleet. British government came to a retion of the progress being mad Germany in time to cope with the ation; but German activity is great, and the future is uncertain German birthrate is much greated great, and the future is uncertain German birthrate is much greater that of Britain, and the assistant the different parts of the Empi the defence of the Empire is and edly required. The first read it tainly at home, and then will com-problem of the Pasific. At pr problem of the Parific. At p though, it is secondary to that need at home."

need at home."

In the party with Sir Joseph are Lady Ward, and Miss Ward, Seddon, daughter of New Zea former premier, Miss Bonsor, former premier, Miss Bonsor; Fitchett, solicitor-general for Zealand; Mr. E. Owen Cox, a w merchant. of Wellington, and Joseph's secretary, Mr. J. Hislo Joseph Ward has been ing the Imperial defence conference ing the Imperial defence conference in the Implant, and is convinced that sult of the labors of the conference in the Imperial Conference in the Im will be to consolidate the forces

will be to consolidate the forces
Empire for naval defence.

"The Canadian ministers and
Australian ministers are the
judges of their focal conditions
Canadian plans, I understand, a
settled, but I presume you will
lish a fleet in both Atlantic and
fic. In that case, the conference
have enormously strengthene
Pacific fleet. And it will be und
control of the British admiral
that it can be all sent where it i that it can be all sent where it

needed. New Zealand's Offer. "Speaking with regard to offer made by New Zealan build a Dreadnought for the tish Navy, he said: "In offer Dreadnought, all concerned—my submitting the proposal to the inet, the cabinet in unanimously firming it, and parliament in quently ratifying it—did merely we all considered to be our determine without a thought of the Empire without a though

"As regards the Defence Co the oversea representatives are mind in their desire to co-oper any scheme of defence which do tice to the Empire as a whole communities they represent. I such as that referred to in the New Zealand, will not be like

All Red Route.

"I believe we should have A cables and All-Red steamship he declared. "The cables sho government-owned, and so shi the land lines. I think the companies which are in be should be fairly treated; but will not sell out on reasonable it will be necessary to establish owned lines to compete wit Cheap cable rates are ne hind the Empire together. At we do not know anything abouther. We get very little new you and I presume you get about us. That ought not it would not be if we had

Cadet Training The new dominion was the inaugurate a system of cadet tract the present time the school ceives a full training before he the age of fourteen. The major ceives a full training before he the age of fourteen. The majo these acquire a taste of militar cises and enter the volunteers this system will be greatly et as a result of the late conference. The labor party in Ne land is in no way antagonis measures undertaken for defence. Sir Joseph Ward refused to sathing with regard to the Orientation as it affected New Zealast the Interviewer could not fall to that the ready acquiescence. Labor element in defence matter from the proximity of an awa Japanese Empire.
