### Thomas A. Edison did another wonderful thing

when, having brought his Phonograph to a point where not even the most critical could ask for improvement, he multiplied its entertaining ability by two. He did this by producing a Phonograph Record that plays, sings or talks twice as long as the Standard Edison Records. He did this without increasing the size of the Record, making it a Record that can be used on old instruments as well as new. He did it without affecting in any way the clear, rich, musical tones for which Edison Records have always been famous. He calls this double-length Record "Amberol."

### UNLUCKY MT. A. GRADUATE

The Sackville Tribune says: Miss Sue D. Scott, a student at Mount Allison Ladies College a few years ago has recently been having very hard luck. For about a year she had been training for a nurse in Montreal, but had to undergo an operation for appendicitis. She went to her home in Dalhousie to recuperate and returned to Montreal to resume her work. She was again obliged to undergo an operation, from which she is slowly recovering. As soon as she is able she will be taken to her home in Dalhousie. Miss Scott is a sister of Mr. Jas. Scott, for some time of the Royal Bank here, and Mr. Charles Scott, the well-known commercial traveller.

## HELPLESS CRIPPLE FROM RHEUMATISM

### Five Boxes Of "Fruit-a-tives" Cured Her

4 HOME PLACE, TORONTO, DEC. 15th, 1909.

"I was a terrible sufferer from Rheumatism for nearly a year, and my right arm was swollen and the pain was fearful. All down the right side, the pain was dreadful, and I could hardly move for the agony. I was treated by two physicians but their medicine did me no good, and I tried numerous other remedies but received no benefit. I was simply a helpless cripple and suffered from Rheumatism all during last winter.

I saw "Fruit-a-tives" advertised in "The Telegram" and decided to try this remedy. After I had taken one box, I was much better and the pain less, and I continued the treatment with good hopes. When I had taken three boxes, I was so well that I could use my arm again and the pain was practically gone. After I had taken five boxes, I was entirely well again—no pain—no suffering—and now I am as WELL as I ever was.

The cure of my case by "Fruit-a-tives" was indeed splendid because all the doctors failed to even relieve me of my sufferings.

For the sake of others who may suffer from this terrible disease, Rheumatism, I give you permission to publish this statement."

MRS. LIZZIE BAXTER.

"Fruit-a-tives" is the only remedy that actually cures Rheumatism, and Sciatica because "Fruit-a-tives" is the only medicine that actually prevents Uric Acid being formed in any quantity in the body. If there is no excess of uric acid in the blood, there can be no Rheumatism.

"Fruit-a-tives" keeps the stomach clean—the liver active—the bowels regular—the kidney strong and the skin healthy. These are the organs that rid the body of all waste. When "Fruit-a-tives" so regulates the system that all waste is eliminated, then there can be no waste or "uric" to be changed into uric acid. Thus, there can be no uric acid in the blood, to inflame nerves and cause the pain which we know by the names of Rheumatism, Sciatica, Lumbago, Neuralgia. "Fruit-a-tives" will cure every trace of Rheumatism, Pain In The Back, Swollen Hands and Feet, and other troubles due to the blood being poisoned by uric acid. If you are subject to Rheumatism, cure yourself now with "Fruit-a-tives" and be free of pain this winter.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.
