## EDITOR'S MAIL

To the Graphic:—

Sussex has won the Hockey championship for the Province of New Brunswick by defeating Chatham in Moncton. While they are to be congratulated, and most heartily, for the Sussex team has many friends in Campbellton, I have no hesitation in saying that Chatham was not the strongest team in the N. B. Hockey League this winter. They call themselves champions it is true, but the deciding game with Campbellton was nothing but a farce where Chatham disregarded at least two rules of the League, and the decision of the league President himself.

### OBITUARY.

**John E. Dean.**

After a lingering illness, John E. Dean passed away in Montreal Sunday. Mr. Dean will be well remembered by many friends. His death will be heard of with deep regret. He was born at Lorneville, N. B., the eldest son of the late Robert and Annie Dean and was for many years a school teacher in the province. He had taught in milidgeville, Milford, Salmon Lake and in several other places. After retiring from the teaching profession he was engaged in the insurance business and about twelve years ago he and his son, J. E. Dean, junior, came to Dalhousie to take charge of the Inch Arran hotel of which Mr. Dean became the proprietor and of which his son is still the manager. Mr. Dean spent his summers in Dalhousie and until two years ago went to St. John for the winter. Winter before last, with his wife and daughter, he went to live with his son Reginald in Montreal for the season. Mr. Dean married Miss Buchanan of Fairville who with two sons and a daughte survives. One son, Chester, was killed overseas and a tablet to his memory has been placed in the Central Baptist church, St. John.

Mr. Dean was a member of the St. John Leinster street church which united with the Brussels street church in forming the Central church. He was a zealous church worker and prominent in the Sunday school work.

The surviving children are Reginald of Montreal, and Miss Vera of Montreal, both of whom saw service overseas—Miss Vera as a Red Cross nurse—and J. E. Dean of Dahousie.

The body was taken to St. John for interment.

### She Bought the Piece.

"And this is the end!"

Something glittered in the man's hand as he uttered the words. The beautiful girl before him looked up into his face and a doubtful look crept into her eyes.

"The end-" She echoed his words wistfully, standing there in the beam of sunlight, which caused the glistening thing in the man's hand positively to dance with fire. "Are you quite sure?"

A smile flickered across the man's face.

"Quite sure! This is the end!"

The fair creature shrugged her shoulders resignedly. "Then—," she breathed tensely, "I—I will take the piece!" and with a smile the man dropped the scissors and parcelled up the short length of calico.—London Tit-Bits.

### Suspicious Symptom.

Doctor—He'll be up in a day or two, Mrs. Jones. Why all this distress?

Apprehensive Wife—I was so afraid, doctor; all night he was practicing the harp on the bed-rails. —London Opinion.

## TOO ILL TO GO TO SCHOOL

**Mother Tells how Daughter was Made Well by Lydia E. Pinkham's Vegetable Compound**

Cobourg, Ont.—"Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound and attends school regularly. She is gaining steadily and I have no hesitancy in recommending Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine."—Mrs. JOHN TOMS, Ball St., Cobourg, Ont.

Standing all day, or sitting in cramped positions, young girls contract deranged conditions, and develop headaches, backache, irregularities, nervousness and bearing-down pains, all of which are symptoms of woman's ills. Every mother who has a daughter suffering from such symptoms should give Lydia E. Pinkham's Vegetable Compound a fair trial.

## Quit Laxatives, Purges; Try NR

**NR Tonight—Tomorrow Feel Right**

It is a mistake to continually dose yourself with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so.

NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

MRS. ALICE GRESHAM DODD mother of first American soldier killed in France, who gives entire credit for recovery of her health to the well-known medicine, Tanlac.

Th following remarkable statement was made recently by Mrs. Alice Gresham Dodd, the mother of Corporal Jas. B. Gresham, who was the first American soldier killed in France. The statement was made at the Gresham Memorial Home, which was presented to her by the patriotic people of Indiana as an evidence of their appreciation of the services rendered to his country by her son.

The shock of her son's death resulted in a serious breakdown in Mrs. Dodd's health, but every one will learn with interest and pleasure that she is now in splendid health again. Mrs. Dodd gives the entire credit for her recovery to the celebrated medicine, Tanlac.

She said: "After my dear boy's death I had a general breakdown in health. At first it was just indigestion. My food would upset me and I had to diet myself very carefully. I also had rheumatism with severe pains in my shoulders, back and arms and at times I would suffer greatly, and my joints would become swoolen and stiff. I was hardly able to do but very little about the house and at times could not even cook a meal. I became very nervous and restless and at night would lie awake for hours.

"A friend of mine advised me to try Tanlac. I am glad I did, for it proved to be the best medicine I have ever taken. It soon gave me a splendid appetite and relieved me entirely of indigestion. My rheumatism also disappeared and I am now able to do my house-work with the greatest ease. My nerves are steady and strong. I sleep well at night and my health is better than in years. I shall always be grateful for what Tanlac has done for me."

Tanlac is sold in Campbellton by THOMAS WRAN, Druggist and in River Charlo by THE CONTINENTAL LBR. CO., LTD.

"California Syrup of Figs" is Child's Best Laxative
Beware! Say "California" or you may not get the genuine "California Syrup of Figs" which doctors recommend for babies and children of all ages. Nothing else cleans the little bowels and regulates the child's stomach and liver so gently, so thoroughly. Directions on each bottle. But you must say "California." Don't be talked into an imitation fig syrup which hasn't the delicious, fruity taste or the perfect "laxative physic" action.
