The Hair May Be Preserved

The Hair May Be Preserved

To an advanced age, in its youthful freshness, abundance, and color, by the use of Ayer's Hair Vigor. When the hair is weak, thin, and falling, this preparation will strengthen it, and improve its growth.

Some time ago my wife's hair began to come out quite freely. She used two bottles of Ayer's Hair Vigor, which not only prevented baldness, but also stimulated an entirely new and vigorous growth of hair. I am ready to certify to this statement before a justice of the peace.—H. Hulsebus, Lewisburg, Iowa.

On two occasions, during the past twenty years, a humor in the scalp caused my hair to fall out. Each time, I used Ayer's Hair Vigor and with gratifying results. This preparation checked the hair from falling, stimulated its growth, and healed the humors, rendering my scalp clean and healthy.—T. P. Drummond, Charlestown, Va.

I have used Ayer's Hair Vigor for years old, my hair is as thick and black as when I was twenty. This preparation creates a healthy growth of the formation of dandruff, and is a pering my scalp clean and healthy.—T. P. Drummond, Charlestown, Va.
