This fall opening at Dineen's is larger and more varied than usual and well worth seeing by those gentlemen interested in fall hats. Dineen's store is on corner King and Yonge-streets.

Frozen Out.

Editor World: I think it is about time some action was taken regarding our fisheries. There is a ring known as the Buffalo Fish Company that has cornered the market, hundreds of tons of fish have been shipped to Buffalo and frozen there for winter use. The result of this will be that in two or three years there will not be a fish left in Canadian waters. There are about 200 fish pedlers in this city who were unable to earn a dollar this season. They will be obliged to carry the black flag this winter. Our local members in the Dominion Parliament should take this matter in hand at once.

PLASTERING GOOD PROPERTY over with "For Sale" boards belonging to an unlimited number of agents, is the biggest mistake of the real estate business. It is bad for the agents and still worse for the owners of the property, and besides, the absurdity of the thing it is a constant source of dispute and litigation, and is always an ugly blur upon the business. Multiplying agents to "boom" property beyond its market value has done harm all around.
