## LOCAL HAPPENINGS

THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call Phone 11, send by mail or drop item in GUIDE-ADVOCATE Letterbox.

**THE BABY DOLLS** were quite cute. **SOFT SHIRTS AND COLLARS**.—SWIFT'S A GALT peanut man is out on \$3,000 bail. Nothing peanut about the bail!

**BUSINESS** is very quiet these days, the farmers being busy with the hay crop. **THE U. S.** launched 17 war vessels on July 4th. A sensible way to celebrate.

**OWING** to the dry, cool weather, raspberries will be a poor crop in most districts.

**THE SHOWER** on Tuesday night stopped haying operations but freshened up the grain and root crops.

**WORD HAS BEEN RECEIVED** here that Flight-Lieut. Leonard Crone has been accidentally killed in England.

**THE FIRST MONDAY** in AUGUST will probably be Watford's civic holiday. A petition is in circulation for that date.

**A MAN** will worry all day and half the night about something that a woman would not give five minutes' thought.

**WHEN SHYLOCK** demanded his pound of flesh a gallery god in a British theatre yelled out: "Where's your meat ticket?"

**A NICE PANAMA HAT** for \$3.50.—SWIFT'S.

**THE WATFORD-LONDON** daily auto-freight is doing a good business and merchants are pleased with the service given.

**FRED McALLISTER**, son of Rev. W. C. H. McAllister, of Ridgeway, was married last month to Miss Beulah Connor, of Ottawa.

**A LETTER** from "a lonely soldier" to Tecumseh Chapter, I. O. D. E., is unavoidably crowded out of this issue. It will appear next week.

**WANTED—FLAGS RETURNED.** If you find any you do not own return to SWIFT'S.

**BAKERS** are asking for a modification of the new bread regulations. They object to the cost of procuring and affixing the "Victory Bread" labels.

**MRS. TYE** received a cablegram Wednesday from her daughter, Nursing Sister Clara Tye, stating that the latter has arrived safely in England.

**"THE NEW SERVANT"** will be repeated in the Lyceum on Tuesday evening, July 16th. Admission, adults 35c, children 25c. Proceeds for benefit of prisoners of war.

**A SALE** of SEWING AND TEA will be given under the auspices of Lambton's 149 I. O. D. E. on Friday, July 19th from 4 to 7 o'clock at the home of Mrs. J. W. McLaren.

**A SPECIAL** in Ladies' Navy Serge Suits—36, 38, 40, 42. A saving of \$8.00 a suit for fall.—SWIFT'S July Prices.

**THE FIRST NUMBER** of the amalgamated St. Thomas papers, the Times-Journal, is to hand. Local interest will be better served by one paper than by two.

**THE MANY FRIENDS** of the Rev. Mr. Mead will be sorry to hear that he has had to go back to the hospital again. He is in the Royal Red Cross Hospital, Bushby Park, England.

**THE FORD MOTOR CO.**, of Canada, employing more than 1000 men, shut down Saturday for an indefinite period. It is believed that labor troubles are the cause of the shut-down.

**THE OUTLOOK** for apples in this district is said to be good. In most places the trees show a greater abundance than for several years. Plums and peaches will be a light crop.

**MOTOR COATS**—Our Ten Dollar garment is a wonder.—SWIFT'S July Prices.

**MR. F. K. MATTHEWS** went to Parkhill Friday to take over the jewelry business heretofore conducted by Cecil Stoner, who is now serving the colors. Mr. Matthews will continue to conduct the four and feed business in Watford for a time.

**ONE** might also think that even the vegetables in Watford gardens understand the urgent need of increased production. Night and day, they are doing their utmost in the good cause. "Never saw things grow so," everybody says.

**VISCOUNT RHONDA**, the British food controller, who died last week, was a victim of his own system of food control and overwork. You can't put a man accustomed to a beckstank and onion diet on "potatoes and point" and expect him to improve his physique.

**BE STRAW HAT WEEK**—All must be sold this week.—SWIFT'S July Prices.

**Why** doesn't somebody insist on a get-uppings? It would be a great saving in wear and tear of clothes and in food. One doesn't want to eat if one's snug is bed. The government might arrange to have a washless day at the same time. Small boys would love it and it would save soap.

**A QUIET WEDDING** was solemnized on June 29th in the Presbyterian Church, when Annie Ellen, daughter of Mr. and Mrs. James Thompson, of Warwick, was united in marriage to Mr. Orval A. Wever, of Dorchester. The ceremony was performed by Rev. J. C. Forster.

**LADIES' White Hose**, from 25c to \$1.20.—SWIFT'S JULY PRICES.

"THE NEW SERVANT" will be repeated in the Lyceum next Tuesday night.

**IF THE GUIDE-ADVOCATE** owes you anything please send in your bill.

**GERMAN MUSIC** is to be excluded from fall fairs this year by order of the censor.

**COL. KENWARD** conducted the service in the Anglican church at Alvinston, Sunday evening.

**WITH THE INCREASE** in price it will be in order to keep your matches in the safe with other valuables.

**NOTICE**—All accounts due Matthews & Co., must be settled by cash or note not later than July 15th.

**IT IS SAID** that this is the fifth week of winds, more summer wind and lower temperature than can be recalled hitherto.

**LADIES' FARMERETTE SUITS**—get them this week, girls, at SWIFT'S.

**MOST** of the merchants who handle matches report a great run on the lucifers on the 29th, it being the last day they could be purchased before the war tax was added.

**TEACHERS AND SECRETARIES** of school boards are requested to send the promotion lists of their schools to the Guide-Advocate for publication as early as possible.

**THE EMPLOYEES** of the Andrews Wire Works picnicked at Rock Glen on Saturday and enjoyed a very pleasant outing. As heretofore, the management with customary generosity, paid all expenses.

**ANOTHER "Mistletoe Bough"** tragedy was in danger of being enacted on Tuesday night in the Lyceum. "Towel" got accidentally locked in the trunk and the key couldn't be produced for a spell.

**LEAVE** will be granted to soldiers in camp in London who are members of the Orange Order, to attend the 12th of July celebrations. They must not, however, wear Orange regalia nor attend in formed bodies.

**A SPECIAL** in Men's Combinations.—SWIFT'S.

**MRS. DAVIS**, wife of Fred Davis, M. P. P. of Gleichen, Alberta, died suddenly at Mitchell, Ont., where she was visiting with her husband. She was a sister-in-law of Mrs. F. K. Matthews, of Watford, and visited here a few days before her death.

**AS HARVESTING** is on and people are busy I will not collect any junk till harvest is over. The production of food is more necessary than the collection of junk. Please save goods as I will start harvest with better markets than have been.—ALEX. ZIMMERMAN. e-o-w-3

**THE MARRIAGE** took place on Saturday, at London, of Mr. D'Alton Potter of Fergus, formerly of Watford, to Miss Alberta Willimina Cassidy, daughter of Rev. Francis Cassidy of Fergus. Mr. Potter's many Watford friends extend congratulations.

**WE** have a few young men who seem to think it makes them manly and noble to make themselves appear tough. If you are tough people will find it out without any effort on your part. It is just as easy to be a gentleman and hold the respect of the community in which you live.

**RECKLESS DRIVING** is always illegal, no matter what the speed. The majority of fast drivers have nothing to do when they get there. They are a menace to themselves, to those whom they pass and a nuisance to people who reside along the road.

**IT** is somewhat of a drawback to have the gear of your car drop out when you take the family out for a spin, but this is what happened to a couple of young business men on Sunday. Very likely the avoidupis of the men was too much for the car. It makes the trip expensive when you have to get the car hauled home.

**A SHIPMENT** of Billie Burke dresses—white garbantine and gingham.—SWIFT'S.

**MR. THOMAS NORRIS**, one of the early settlers of Watford, died early Thursday morning at the Hospital for incurables, London, where he was taken about three months ago, being totally blind and feeble. He was about 78 years of age. The remains will be brought here and the funeral held Friday, July 12th, to St. James' cemetery, Brooke. Service at his late residence, Ontario St., at 1.30 p.m.

**"THE CIVIC"** is the next public holiday. Let the date be selected in good time so that people can make arrangements for its observance. Railway excursions are a thing of the past and the civic holiday is the one the local residents are supposed to get out of town for the day if only to the woods. A monster Red Cross picnic would be a nice way to observe the holiday.

**JUDGING** from the appearance of the local war gardens quite a number of Watford people will have no occasion to purchase any vegetables for next winter. Never in the history of the village was so much land under cultivation. Some people who, up to the present year, bought all their vegetables now find gardening not only profitable but a pleasant recreation, and a habit is being formed that will continue after the war is over.

**THE FOLLOWING** verse is from the Buffalo News:

"Gent of Athens, ere we part—  
Never mind my stolen heart—  
Please relieve, though, my distress—  
You are standing on my dress!"

**What** we desire to know is how did he do it? Did he stand on a chair or use the step ladder.

## "THE NEW SERVANT"

Amusing Comedy Given by Tecumseh Chapter I. O. D. E. Makes A Big Hit.

The presentation of the laughable comedy "The New Servant" by the Watford Dramatic Society in the Lyceum on Monday and Tuesday evenings, under the auspices of a group of Tecumseh Chapter, I. O. D. E., was greeted by a full house on each night, and a well pleased audience was the result of the endeavors of the Society on both occasions.

The play is full of amusing situations and lively throughout, with not a dull moment from start to finish. The plot is well developed and the climax should please the most cynical pessimist. The solo and chorus singing and dancing were very pleasing, the costumes unique and spectacular, the agility of the dancers adding much to the charm of the scene.

Mr. John F. Roche of course took the leading role of Bill Morgan and the New Servant and it would be difficult for any professional to surpass his representation of the dual character. Bobby Jones, the college lover, was taken by Bert Fulcher, who proved a most ardent lover. Mrs. Reed and her daughter Cynthia, the characters taken by Mrs. J. Osborne and Miss Jean Cameron, seemed to grip the audience in their impersonation of a supposed ideal mother-in-law and charming daughter, the former representing a deaf and dumb lady. Reg. P. Brown took the part of Towel Fairfax, a faithful friend of Bill Morgan's. W. F. G. Connolly as Prof. Reid was a carefully solicitous but most forgetful father, and O. McGillivuddy, as George, was an ardent but stammering lover of Cynthia's. W. A. Aylesworth represented Bob, a friend of Bill's, H. Brick of Kitchener took the part of Prof. Reed's son, and W. L. Millar that of Tom Ripley, while Roy Cook displayed a small boy's cuteness in extracting favors from his elders.

In the patriotic chorus "The Land We Love," was undoubtedly one of the best things in that line ever seen here. Mrs. C. A. Class representing France, Mrs. E. Langan, the United States and Mrs. W. L. Millar Britain. The College Queen was represented by Miss Blanche Stapleford.

The characters were all taken successfully and with much skill, and were it not that Mr. Roche took the chief role it would be hard to select a leader. Valore Dodds played the piano accompaniments and R. W. Dodds filled the position of stage manager.

The ladies of Tecumseh chapter I. O. D. E., under whose auspices the play was given, wish through the columns of the Guide-Advocate to thank the performers and all others who in any way helped in the production of the comedy. The proceeds amounted to \$300.

Following is the cast:

The rest of the party escaped with a severe shaking up. The road is very narrow at this spot and it is almost impossible for two cars to pass. Had it not been for a large thorn bush at the side of the ditch the accident would have proven even more serious. The bush held the top of the car up and kept it from turning completely turtle.
