ation in possession of the Go-  
appears tolerably certain that  
likely to exist in Ireland dur-  
winter will be very severe ;  
eved that active measures are  
opted to relieve, as much as pos-  
sible of the calamity. Probably

Parliament will be convoked for the dispatch  
of business about the second week of Nov'r,  
when the Chancellor of Exchequer will im-  
mediately apply for a loan of £500,000 to al-  
leviate Irish distress.

Lord George Beauchamp is reported to have  
dropped down and expired while in the act of  
walking from Loelbeck Abbey to Thoresby  
Park to visit Lord Manserv.

The news from the Continent by this arri-  
val, is, as usual, of a chequered character.

Considerable excitement continues to pre-  
vail in Paris, but as yet there has been no re-  
newal of disturbances.

Prince Louis Napoleon, besides being re-  
turned for the Capital by an overwhelming  
majority, has also been returned for six other  
departments.

It is said that the Socialists and Imperial-  
ists will avail themselves of the arrival of  
Prince Louis Napoleon in Paris for a mani-  
festation.

Doheny, the Irish insurgent leader, is re-  
ported to have arrived in Paris.

ACCIDENT.—This morning about 8 o'clock  
while Mr. Wm. Tatton, was edging deal in  
the Steam Mill, his right hand came in con-  
tact with the saw, and we are sorry to add  
his four fingers and principal part of his hand  
was sawed off.

LAUNCHED at the Lower Falls, St. George,  
from the building yard on Thursday last, a splen-  
did Ship of 612 tons, O. M. named the "El Do-  
cador," built by Mr. Wm. Lowmshend, for Daniel  
Gillmore, Esq. She is pronounced a well built,  
well finished, handsome ship, and reflects great  
credit upon the master builder.

His Excellency the Lieutenant-Governor, ac-  
companied by Lieut. Col. Hayne, A.D.C., arri-  
ved at St. John on Monday evening from his visit  
to this County, and was received at the St. John  
Hotel by a Guard of Honor from the New Brun-  
swick Regiment of Artillery, which fired a salute.  
His Excellency is on his way to Westmorland,  
Albert, and Kent, which will finish his tour of  
the Province.

SALE OF BANK STOCK.—A large amount of  
Stock in the Commercial Bank of New Brun-  
swick changed hands on Saturday last, at 50 per  
cent. discount.—[New Brunswick.

A correspondent of the New-Brunswick mon-  
itors that the transfer of this Stock, took place un-  
der peculiar circumstances. It appears that the  
seller is a Director of the Bank, and found fault  
with the proceedings of the other Directors, adding  
your Stock is not worth 50 per cent.; a Director  
replied, will you sell at 50 per cent. discount?—  
Yes, I will, said Mr. — but you must take all  
my stock. Accordingly one of the parties during  
the day made purchase, paying £1,700 for Stock  
amounting to £3,400. The day after the transfer  
was made the purchaser was offered £566 in ad-  
vance for his bargain which he promptly declined.  
The seller is stated to be a gentleman of great  
wealth, and that the pecuniary loss is a matter of  
no importance to him.

Opening of the New Baptist Chapel.—On  
Sunday last, the new Baptist Chapel in Brus-  
sels-street, was opened for Divine Worship,  
on which occasion appropriate sermons were  
preached by the Rev. Joseph Crandall, and  
the Rev. T. S. Harding. This edifice has  
been erected in a very neat manner, is quite  
an ornament to that section of the City, and  
reflects much credit on the denomination, of  
Christians to which it belongs. (New Brun-  
swick.

A Turkish brig, the first of the flag which  
ever crossed American waters, entered the  
port of Boston on Friday last, with a national  
cargo. The vessel is manned by Mahom-  
medans, and is said to be a curiosity in her  
way.

FROM MEXICO.—Later dates have been re-  
ceived from the city of Mexico. Santa Ana  
had applied for permission to return. The  
Pardes party were still disposed to make  
trouble. The country, outwardly, appeared

quiet; but it was feared that there were in-  
ternal elements of a revolution, which would  
break out in opposition to the government.

A STREET LAMP, in which alcohol was burn-  
ed, exploded and caused the destruction by  
fire of nearly eight thousand dollars worth of  
medicines, in the store of Appleton & Co.  
Philadelphia. Laws have been enacted in  
Montreal against the use of such lamps.

DIED.  
Last evening, Robert Aubrey, third son of  
George D. Street, Esquire, aged 3 years and  
6 months.
