Colors the Hair, and will not the Skin!!!
THIS dye is in form of a powder which in plain in matter of fact may be applied to the hair over night, the first night turning the lightest red or grey hair to a dark brown, and by repeating a second or third night, to a bright jet black. Any person may, therefore, with the least possible trouble, keep his hair any dark shade or a perfect black,—with a positive assurance that the powder, it applied to the sain, will not color it. There is no trouble in removing it from the hair, as in all powders before made. By an occasional application, a person tarning grey will avere be known to have a grey hair! Directions complete with the article. There is no coloring in this statement, as one can easily test.
