
PREFACE

The importance of history in our lives is a subject which has been discussed in many ways, and the value of history to our civilization is generally admitted. It is a subject which has been discussed in many ways, and the value of history to our civilization is generally admitted.

It is the purpose of this book to present a history of the people of the United States, from the first settlement to the present time. The book is written for the general reader, and is intended to be a history of the people of the United States, from the first settlement to the present time.
