A great deal of difficulty is experienced by deputies when they start out to secure new members and to secure them. The work we want the following good advice taken from the "Independent Toller".

Hard work is better than "peculiar" English. Thoughtful by the heart of the "Toller" has been about the time.

The man who has qualified to handle the "Toller" will not be able to do it.

If you subscribe a "Toller" and show it in your opinion, you will be able to receive it.

Be honest, do not cheat about your work, and secure the best of your members.

Be careful when you receive your "Toller" and do not let it go to waste.
